KNOWING WHO WE ARE!

VOLUME 4, 2024

THE DRAGONSLAYER

From The Editor @ SFA

Greetings in the blessed holy name of our LORD and Savior, Jesus Christ.

As April 2nd has just passed, we hope you took the opportunity to observe this year's Passover. We gathered together through the Internet at 7pm on April 2nd for a Communion Service in obedience to observe the Passover. If you missed it on April 2, there is a second chance to observe and that will be on May 2nd which is 30 days later (see Numbers 9 for details).

Passover is one of the foundational teachings that our forefathers experienced, with Moses leading God's people out of Egypt, away from Pharaoh and out of slavery. The suffering of our forefathers, i.e. the children of Israel, and their deliverance from slavery reaffirms our faith that God protects, provides for and deeply loves His people and that He continues to hear our prayers. Pastor Peters did a phenomenal job at teaching the importance of the keeping of the Passover. We have these resources available, and if you would like them, please contact us.

Passover, and why? The LORD said to Moses and Aaron in Egypt;
This month is to be for you the first month, the first month of your year. Tell the whole community of Israel that on the tenth day of this month each man is to take a lamb for his family, one for each household... That same night they are to eat the meat roasted over the fire, along with bitter herbs, and bread made without yeast... Eat it in haste; it is the LORD's Passover.

Exodus 12:1-3, 8, 11

The story of the Exodus has its roots in the Book of Genesis. Four hundred years earlier, Jacob and his sons had settled in the land of Goshen because of a great famine in their homeland of Canaan. In Egypt, they prospered, thanks in large part to Joseph (Genesis 46:28–47:27). Due to a series of circumstances ordained by God, Joseph became the number-two man in all of Egypt, overseeing the preparations of the people to survive the famine, and thus, helping his own kinsmen survive, as well. Eventually, Joseph died, as did the Pharaoh whom he had served. That is when life began to change dramatically for the Israelites.

As events began in Exodus 1, the population of the Israelites had grown to such proportions that they posed a perceived threat to the new Pharaoh (Exodus 1:9–10). To deal with this growing problem, Pharaoh enslaved the Israelites and forced them to build his great cities. When that proved ineffective, Pharaoh took more drastic measures, ordering the Hebrew midwives to kill all the male babies. When the midwives refused to obey the Pharaoh, he issued another edict to his people: throw all the Hebrew male babies into the Nile River. Yet, God overturned the Egyptians' final scheme in a most unusual way—through the birth and divine deliverance of a particular Hebrew boy, Moses (Exodus 2:1–10).

The story of Moses is a familiar one. The Pharaoh's own daughter discovered Moses floating in a basket in the Nile River, and having compassion for the baby, adopted him as her own. Moses grew up with all the privileges of an Egyptian prince, yet apparently never forgot his Israelite roots. When he was 40 years old, Moses was walking among the Hebrew workers, and he witnessed an Egyptian abusing one of the Hebrew slaves. Moses intervened, killing the Egyptian and hiding his body in the sand. Moses thought his act would be appreciated by the Hebrews, but he was wrong. And when he learned that Pharaoh undoubtedly had heard about his crime, Moses fled to the desert country of Midian.

For 40 years, he tended the flocks in the wilderness before God called him to deliver the Israelites from their bondage in Egypt. From a burning bush, God spoke to Moses;

I have indeed seen the misery of my people in Egypt. I have heard them crying out because of their slave drivers, and I am concerned about their suffering.

So I have come down to rescue them from the hand of the Egyptians and to bring them up out of that land and spacious land, a land flowing with milk and honey. **Exodus 3:7-8**

God had chosen Moses as His personal ambassador to Pharaoh to deliver His message: "Let my people go." Despite being hand-picked, Moses argued with God, objecting four times with the following questions: Who am I? Who are You? What if they don't believe me? To which God responds by telling Moses that He will go with him and that He is "I AM WHO I AM," the ever-present, ever-existing One. He is the God who made the covenant with Abraham, Isaac, and Jacob (Exodus 3:15), and the One who is constantly present with Moses and with His people, Israel.

The times that we live in today, Remnant, are not so different than those days in Egypt. Gather your own straw, make more bricks, and leaders today that, "know not God." Remember that just as God heard His people when they cried out to Him then, and delivered them, He will do the same thing today, here in this new JerUSAlem, when His people, who are called by His name (Christians), humble themselves and cry out to Him once again. Recently I heard a quote that stuck in my head from Pastor Peters, from a sermon, "Some Old and Some New." The quote was, "Our survival is based on our repentance, their survival is based on us not repenting." So simple yet so true!

May the God of Abraham, Isaac and Jacob bless those of you that are His, bless you and keep you, make His face shine upon you and be gracious to you, lift His countenance to you and grant you peace.

L-Lysine

**L-Lysine,
an essential amino acid,
offers several health benefits**

Calcium Absorption and Muscle Protein Building: L-Lysine plays a crucial role in absorbing calcium and is instrumental in building muscle protein. It also aids in recovery from surgeries or traumas

Cold Sore Improvement and Blood Pressure Reduction: It has been found effective in improving cold sores and reducing blood pressure. Additionally, it helps prevent symptoms of lysine deficiency

Immune System Support: L-Lysine enhances the immune system by promoting proper activity of immune cells

Weight Loss Aid: It aids in weight loss by creating the nutrient carnosine, which helps convert fatty acids into energy. This process not only aids in weight loss but also supports endurance and athletic performance, potentially enhancing calorie burning

Protein Structure Support and Wound Healing: As a building block for proteins, L-Lysine supports muscle mass, promotes healthy tissue function and growth, and assists in healing wounds

Supports Gut Health: L-Lysine, specifically in the form of poly-L-lysine, may have anti-inflammatory effects on the gut lining, which could help in conditions like leaky gut syndrome. It has also been found to suppress pancreatitis, reducing inflammation in the pancreas

Reduces Diabetes-Related Problems: It may help in reducing the formation of advanced glycation end products (AGEs) in diabetic patients, which are associated with an increased risk for infection and other diabetes-related conditions.

L-Lysine, an essential amino acid, has been studied for its potential role in preventing or reducing the risk of Alzheimer's disease. This interest arises from the growing body of evidence linking the herpes simplex type 1 virus (HSV-1) to the development of Alzheimer's dementia (AD):

HSV-1 and Alzheimer's: Research indicates that HSV-1 is present in the cerebrum of a majority of older adults, particularly in areas of the brain affected by AD. When active, HSV-1 may contribute to the formation of neurofibrillary tangles and amyloid plaques, which are characteristic of AD. HSV-1 encephalitis, like AD, may cause long-term memory loss

Lysine's Role in Suppressing HSV-1: HSV-1 replication is suppressed in environments rich in lysine and poor in arginine. Population studies suggest that diets high in lysine and low in arginine may be associated with lower rates of Alzheimer's disease. This has led to the hypothesis that

lysine supplementation could potentially prevent or reduce the incidence of AD

Preventive Potential: While there are no prospective studies directly proving the efficacy of lysine supplementation in preventing or reducing Alzheimer's, the association between HSV-1 and AD development, and lysine's ability to suppress HSV-1, presents a novel area of research. Supplementation with adequate doses of lysine might, therefore, have potential in preventing the development of Alzheimer's disease

This research is still in the exploratory stage, and more studies are needed to establish a definitive link and the effectiveness of L-Lysine in Alzheimer's prevention. It's important for individuals interested in this potential treatment to consult healthcare professionals before starting any new supplementation, especially in the context of complex diseases like Alzheimer's.

These benefits highlight L-Lysine's importance in various bodily functions and its potential in enhancing overall health and well-being.

Normally \$45.00 for 300 tablets, it is on sale now for \$35.00, or 3 bottles for \$95.00 See the Order Form for details.

Knowing WHO We Are part 1

We have failed as a people to know our true identity, because of the preachers of the land. Who and what and where did they come from? We are living in the times of deception, the times of 2 Thessalonians 2:10-11.

2 Thessalonians 2:10-11 *...and with all the deception of wickedness for those who perish, because they did not receive the love of the truth so as to be saved. For this reason God will send upon them a deluding influence so that they will believe what is false...*

There has been the deluding influences or spell cast upon this land and there are many lies that we as a people have failed to recognize as lies. We have also failed to have a love for the truth. Even though we may know the truth in a area or have an understanding of truth, have we really had the love for the truth that we should? I think not.

Horace Greeley once said, "It is impossible to enslave, mentally or socially, a Bible-reading people. The principles of the Bible are the groundwork of human freedom."

We have not had the love for the truth and have not read our Bibles.

We are in the last days, a time of deception, just as is talked of in 2 Timothy 3:13.

2 Timothy 3:13 *But evil men and impostors will proceed from bad to worse, deceiving and being deceived.*

One of the lies being that the Jews are gods chosen people. Who are His people and who are His people's enemies? Luke 1:68 shows us that He indeed does have a people.

Luke 1:68 -72 *Blessed be the Lord God of Israel, For He has visited us and accomplished redemption for His people, And has raised up a horn of salvation for us In the house of David His servant—As He spoke by the mouth of His holy prophets from of old Salvation FROM OUR ENEMIES, And FROM THE HAND OF ALL WHO HATE US;*

Who Are His people and who Hate us? Let's look at Abraham. Abraham and the Covenant.

Genesis 17:1-7 *Now when Abram was ninety-nine years old, the LORD appeared to Abram and said to him, "I am God Almighty; Walk before Me, and be blameless. I will establish My covenant between Me and you, And I will multiply you exceedingly." Abram fell on his face, and God talked with him, saying, "As for Me, behold, My covenant is with you, And you will be the father of a multitude of nations. No longer shall your name be called Abram, But your name shall be Abraham; For I have made you the father of a multitude of nations. I will make you exceedingly fruitful, and I will make nations of you, and kings will come forth from you. I will establish My covenant between Me and you and your descendants after you throughout their generations for an everlasting covenant, to be God to you and to your descendants after you.*

There we can clearly see that God established a covenant with Abraham. We see in the next Scripture in Genesis 17 that this covenant would be an everlasting covenant and for the descendants after Him.

Receiving the covenant.

Genesis 17:19 *But God said, "No, but Sarah your wife will bear you a son, and you shall call his name Isaac; and I will establish My covenant with him for an everlasting covenant for his descendants after him.*

This is God establishing His Covenant! We continue to see that God has this whole thing worked out! He has a plan. And we read on in the next Scripture that God sees to it that the covenant people are named through Abraham's Son, Isaac!

Genesis 21:12 *But God said to Abraham, "Do not be distressed because of the lad and your maid; whatever Sarah tells you, listen to her, for through Isaac your descendants shall be named.*

The term SAXON came from the term Isaac's Sons, just as this Scripture says your descendants shall be named through Isaac!

Genesis 24:2-3 *He said to the senior servant in his household, the one in charge of all that he had, "Put your hand under my thigh. I want you to swear by the LORD, the God of heaven and the God of earth, that you will not get a wife for my son from the daughters of the Canaanites, among whom I am living...*

Abraham must have known something about the Canaanites to make such a request of his servant. There is no way he wanted to have a Canaanite daughter-in-law. I think he must have known how much hell that would be.

Isaac married Rebekah, and we can see that the Lord kept His

Covenant Through Isaac in **Genesis 26:2-4**.

And the Lord appeared to him and said, "Do not go down to Egypt; stay in the land of which I shall tell you. Live for a time in this land and I will be with you and bless you, for to you and to your descendants I will give all these lands, and I will establish the oath which I swore to your father Abraham. I will multiply your descendants as the stars of heaven, and will give your descendants all these lands; and by your descendants all the nations of the earth shall be blessed..."

And from them, Isaac and Rebekah, came forth two nations, as we see in **Genesis 25:21-26**.

Isaac prayed to the LORD on behalf of his wife, because she was childless. The LORD answered his prayer, and his wife Rebekah became pregnant. The babies jostled each other within her, and she said, "Why is this happening to me?" So she went to inquire of the LORD. The LORD said to her, "Two nations are in your womb, and two peoples from within you will be separated; one people will be stronger than the other, and the older will serve the younger." When the time came for her to give birth, there were twin boys in her womb. The first to come out was red, and his whole body was like a hairy garment; so they named him Esau. After this, his brother came out, with his hand grasping Esau's heel; so he was named Jacob. Isaac was sixty years old when Rebekah gave birth to them

From that Scripture, we can see that there were two nations, and the older would serve the younger.

Esau sells His Birthright

Genesis 25:30-34 *...and Esau said to Jacob, "Please let me have a mouthful of that red stuff there, for I am exhausted." Therefore he was called Edom by name. But Jacob said, "First sell me your birthright." Esau said, "Look, I am about to die; so of what use then is the birthright to me?" And Jacob said, "First swear to me"; so he swore an oath to him, and sold his birthright to Jacob. Then Jacob gave Esau bread and lentil stew; and he ate and drank, and got up and went on his way. So Esau despised his birthright.*

ABRAHAM, ISAAC and now Jacob, and God sees to it that this Covenant is passed onto Jacob in verse 4.

Genesis 28:3-5 *May God Almighty bless you and make you fruitful and multiply you, so that you may become a multitude of peoples. May He also give you the blessing of Abraham, to you and to your descendants with you, so that you may possess the land where you live as a stranger, which God gave to Abraham." Then Isaac sent Jacob away, and he went to Paddanaram to Laban, son of Bethuel the Aramean, the brother of Rebekah, the mother of Jacob and Esau.*

Promise of the Covenant to Jacob

Genesis 28:14 *Your descendants will also be like the dust of the earth, and you will spread out to the west and to the east and to the north and to the south; and in you and in your descendants shall all the families of the earth be blessed.*

Now we can see that God changes the Name of Jacob to Israel and makes sure the Covenant is passed on.

Genesis 35:10-12 *God said to him, "Your name is Jacob; You*

shall no longer be called Jacob, But Israel shall be your name." Thus He called him Israel. God also said to him, "I am God Almighty; Be fruitful and multiply; A nation and a company of nations shall come from you, And kings shall come forth from you. "The land which I gave to Abraham and Isaac, I will give it to you, And I will give the land to your descendants after you."

Israel Has 12 sons from which we have the 13 tribes.

Exodus 1:7 *But the sons of Israel were fruitful and increased greatly, and multiplied, and became exceedingly mighty, so that the land was filled with them.*

We see that the Israelites are in Egypt.

Joshua 21:43-45 *So the LORD gave Israel all the land which He had sworn to give to their fathers, and they possessed it and lived in it. And the LORD gave them rest on every side, according to all that He had sworn to their fathers, and no one of all their enemies stood before them; the LORD gave all their enemies into their hand. Not one of the good promises which the LORD had made to the house of Israel failed; all came to pass.*

We have a fulfilled prophecy....

What about Esau? What about the other nations? Genesis 36 shows us that Esau Is Edom. We also see this in Genesis 36:8.

Genesis 36:1 *Now these are the records of the generations of Esau (that is, Edom).*

Genesis 36:8 *So Esau lived in the hill country of Seir; Esau is Edom.*

Romans 9:13 *Just as it is written, "JACOB I LOVED, BUT ESAU I HATED."*

Malachi 1:2-3 *"I have loved you," says the LORD But you say, "How have You loved us?" "Was not Esau Jacob's brother?" declares the LORD "Yet I have loved Jacob; but I have hated Esau, and I have made his mountains a desolation and appointed his inheritance for the jackals of the wilderness."*

Esau was Isaac's favorite. God's ways are not our ways. Also, *The Book of Jasher* brings out that Esau and the Edomites tried to kill Jacob and the Israelites more than once. For Esau to regain the birthright, not only Jacob, but also Ishmael would have to be eliminated. Since Esau sold the birthright, it is the same as if he had been disowned. That would put him dead last to inherit. They wanted to eliminate Jacob and have been trying to get it done ever since.

God does not love everyone! The majority of the so-called Christian people of today want to make Jesus out to be a love-everybody, peace-child, a long-haired hippie-freak. This Scripture is the word of God, and it says he hated Esau. The truth of the matter is that these children of Esau-Edom hate God, and they hate Jesus Christ, for they know that He was sent only to the lost sheep of the house of Israel.

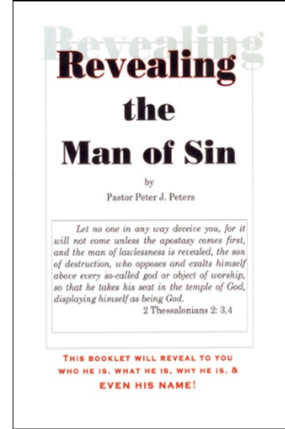

Matthew 15:24 *But He answered and said, "I was sent only to the lost sheep of the house of Israel."*

These Edomite-jew sons of hell, they hate our blood, they hate our DNA.

We know that Esau-Edom has been revealed as the MAN OF SIN (KJV) or the MAN OF LAWLESSNESS (NASB).

He has been revealed and is taking his seat in the temple of God. If you have not read the book entitled, *Revealing the Man of Sin*, by Pastor Peters, you really should.

[Click Here to Order the book, Revealing the Man of Sin](#)

2 Thessalonians 2:1-12 Man of Lawlessness

Now we ask you, brothers and sisters, regarding the coming of our Lord Jesus Christ and our gathering together to Him, that you not be quickly shaken from your composure or be disturbed either by a spirit, or a message, or a letter as if from us, to the effect that the day of the Lord has come. No one is to deceive you in any way! For it will not come unless the apostasy comes first, and the man of lawlessness is revealed, the son of destruction, who opposes and exalts himself above every so-called god or object of worship, so that he takes his seat in the temple of God, displaying himself as being God. Do you not remember that while I was still with you, I was telling you these things?

And you know what restrains him now, so that he will be revealed in his time. ⁷For the mystery of lawlessness is already at work; only He who now restrains will do so until He is removed. Then that lawless one will be revealed, whom the Lord will eliminate with the breath of His mouth and bring to an end by the appearance of His coming; that is, the one whose coming is in accord with the activity of Satan, with all power and false signs and wonders, and with all the deception of wickedness for those who perish, because they did not accept the love of the truth so as to be saved. For this reason God will send upon them a deluding influence so that they will believe what is false, in order that they all may be judged who did not believe the truth, but took pleasure in wickedness.

We know that this man of sin is Esau-Edom, and that he has been revealed. Verse 4 of the passage that we just read says that.

...who opposes and exalts himself above every so-called god or object of worship, so that he takes his seat in the temple of God, displaying himself as being God.

The temple of God. When I read that I think of the prophet Jeremiah and more specifically of Chapter 14. This is an interesting Chapter because it is a conversation between Jeremiah and God.

Jeremiah 14:8-18 *"O Hope of Israel, Its Savior in time of distress, Why are You like a stranger in the land Or like a traveler who has pitched his tent for the night? "Why are You like a man dismayed, Like a mighty man who cannot save? Yet You are in our midst, O Lord, And we are called by Your name; Do not forsake us!"*

Thus says the Lord to this people, "Even so they have loved to wander; they have not kept their feet in check. Therefore the Lord does not accept them; now He will remember their iniquity and call their sins

to account." So the Lord said to me, "Do not pray for the welfare of this people. "When they fast, I am not going to listen to their cry; and when they offer burnt offering and grain offering, I am not going to accept them. Rather I am going to make an end of them by the sword, famine and pestilence." But, "Ah, Lord GOD!" I said, "Look, the prophets are telling them, 'You will not see the sword nor will you have famine, but I will give you lasting peace in this place.' " Then the Lord said to me, "The prophets are prophesying falsehood in My name. I have neither sent them nor commanded them nor spoken to them; they are prophesying to you a false vision, divination, futility and the deception of their own minds. "Therefore thus says the Lord concerning the prophets who are prophesying in My name, although it was not I who sent them-yet they keep saying, 'There will be no sword or famine in this land'- by sword and famine those prophets shall meet their end! "The people also to whom they are prophesying will be thrown out into the streets of Jerusalem because of the famine and the sword; and there will be no one to bury them-neither them, nor their wives, nor their sons, nor their daughters-for I will pour out their own wickedness on them.

"You will say this word to them, ' Let my eyes flow down with tears night and day, And let them not cease; For the virgin daughter of my people has been crushed with a mighty blow, With a sorely infected wound. 'If I go out to the country, Behold, those slain with the sword! Or if I enter the city, Behold, diseases of famine! For both prophet and priest Have gone roving about in the land that they do not know.

We can also Look at **Jeremiah 23:1-2**

The Coming Messiah: the Righteous Branch

"Woe to the shepherds who are destroying and scattering the sheep of My pasture!" declares the LORD. Therefore thus says the LORD God of Israel concerning the shepherds who are tending My people: "You have scattered My flock and driven them away, and have not attended to them; behold, I am about to attend to you for the evil of your deeds," declares the LORD.

Dropping down to verses 11-14, we read:

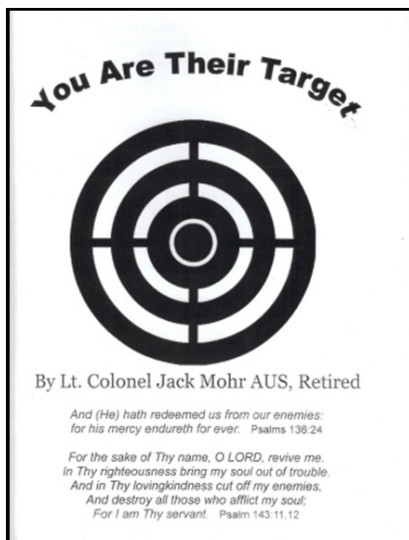

"For both prophet and priest are polluted; Even in My house I have found their wickedness," declares the LORD. "Therefore their way will be like slippery paths to them, They will be driven away into the gloom and fall down in it; For I will bring calamity upon them, The year of their punishment," declares the LORD. "Moreover, among the prophets of Samaria I saw an offensive thing: They prophesied by Baal and led My people Israel astray. "Also among the prophets of Jerusalem I have seen a horrible thing: The committing of adultery and walking in falsehood; And they strengthen the hands of evildoers, So that no one has turned back from his wickedness. All of them have become to Me like Sodom, And her inhabitants like Gomorrah

I am trying, in this message, to let the Bible speak for itself, and would like to look at another Scripture.

Ezekiel 13:1-9 Then the word of the LORD came to me saying, "Son of man, prophesy against the prophets of Israel who prophesy, and say to those who prophesy from their own inspiration, 'Listen to the word of the LORD! Thus says the Lord GOD, "Woe to the foolish prophets

who are following their own spirit and have seen nothing. O Israel, your prophets have been like foxes among ruins. You have not gone up into the breaches, nor did you build the wall around the house of Israel to stand in the battle on the day of the LORD. They see falsehood and lying divination who are saying, 'The LORD declares,' when the LORD has not sent them; yet they hope for the fulfillment of their word. Did you not see a false vision and speak a lying divination when you said, 'The LORD declares,' but it is not I who have spoken?' ' Therefore, thus says the Lord GOD, "Because you have spoken falsehood and seen a lie, therefore behold, I am against you," declares the Lord GOD. "So My hand will be against the prophets who see false visions and utter lying divinations. They will have no place in the council of My people, nor will they be written down in the register of the house of Israel, nor will they enter the land of Israel, that you may know that I am the Lord GOD.

A side note that the word prophesy is H5012 in *Strong's* and it means to speak or to sing.

Colonel Jack Mohr writes in his book, *You Are Their Target*, in Chapter 3:

...while our teachers are being paid more than any time in our history they teach our children the tommyrot of evolution which makes them into educated apes, sex education that rots their morals and contempt for patriotism and parental authority. We are seeing the truth of the statement that. "Education without God turns men into clever devils."

The Apostle Paul tells about these in 2 Timothy 3:5,7, "having a form of Godliness but denying the power thereof ...ever

learning and never able to come to the knowledge of the truth" This includes not only politicians and educators but also unfortunately many of those who go by Preacher..."

We know the truth that the spiritual condition of the people are determined by the spiritual leaders of land. And what do we have now? We have terrors for spiritual leaders. They are the ones who are responsible for bringing the wrath of GOD upon us.

If we go to some of the jews' own writings, we can see that they not only hate us but they intend on destroying us.

NO.1. A PROTOCOL OF 1489

"The Revue des etudes Juives, financed by James de Rothschild, published in 1880 two documents, which showed how true the Protocols are in saying that the Learned Elders of Zion have been carrying on their plans for centuries. On Jan. 13, 1489, Chemor, Jewish Rabbi of Arles in Provence, wrote to the Grand Sandhedrin, which had its seat at Constantinople, for advice, as the people of Arles were threatening the synagogues. What should the Jews do? This was the reply:"

"Dear beloved brethren in Moses, we have received your letter in which you tell us of the anxieties and misfortunes which you are enduring. We

are pierced by as great pain to hear it as yourselves."

"The advice of the Grand Satraps and Rabbis is the following: --"

"As for what you say that the King of France obliges you to become Christians; do it, since you cannot do otherwise, but let the law of Moses be kept in your hearts."(1)

"As for what you say about the command to despoil you of your goods" (the law was that on becoming converted Jews gave up their possessions): 'make your sons merchants, that little by little they may despoil the Christians of theirs'."

"As for what you say about their making attempts on your lives: make your sons doctors and apothecaries, that they may take away Christian lives.

Definition "Apothecary (pronounced /ə' pɒθɪkɛəri/) is a historical name for a medical professional who formulates and dispenses materia medica to physicians, surgeons and patients — a role now served by a pharmacist (or a chemist or dispensing chemist), and some caregivers."

"As for what you say of their destroying your synagogues: make your sons canons and clerics in order that they may destroy their churches."

"As for the many other vexations you complain of: arrange that your sons become advocates and lawyers, and see that they always mix themselves up with the affairs of State, in order that by putting Christians under your yoke you may dominate the world and be avenged on them."

"Do not swerve from this order that we give you, because you will find by experience that, humiliated as you are, you will reach the actuality of power."

"Signed V. S. S.A.F. F., Prince of the Jews, 21st Caslue (November), 1489.

Notice that they want to destroy our churches, and were instructed to do so in 1489, and since 1489 have done an excellent job at it! They have removed salvation from the churches, they have removed half the Bible, they have taken all the power that the church once had.

I want people to see that we have an enemy, that our enemies have taken the pulpits. It's not just the Benny Hinn's and the Joel Olsten's, it is in every city, in every town in this Country in which our Heavenly Father gave us. It's on the radio, it is in speech and in songs and music just as much. They have taken their seat in the temple of God, just as the Scripture that we read earlier says. 2 Thessalonians 2:4, *he takes his seat in the temple of God...* Once they took the seat, they introduced the destructive heresies, as the Apostle Peter wrote about in 2 Peter 2:1.

2 Peter 2:1 *But false prophets also arose among the people, just as there will also be false teachers among you, who will secretly introduce destructive heresies, even denying the Master who bought them, bringing swift destruction upon themselves.*

In the Communist text book, "PSYCHOPOLITICS," written in 1933 for the Lenin School of Psycho-Political Warfare of the University of Moscow, we read on page 28:

...if we can effectively kill the National pride and patriotism of just one generation, we will have won that country therefore there must be continual propaganda to undermine the loyalty of citizens in general and the teenager in particular...

Example: Protocol # 9 from the Learned Elders of Zion pg. 171 4th

paragraph. *We have fooled bemused and corrupted the youth of the goyim by rearing them in principles and theories which are known to us to be false although it is by us that they have been inculcated. Above the existing laws without substantially altering them and by merely twisting them into contradictions of interpretations we have erected something Excessively grand in the way of results.*

The prophet and priest are polluted, it is in their dna, they are the creatures of instinct they were directed to the positions of church leadership but not by the holy spirit it is because they are tares. They are twisting turning and casting spells using satanic witchcraft powers. They are casting a spell by just as we read in the protocol # 9 by twisting the truth by teaching what they know is not so. Certain blood lines make better sorcerers.

The next few quotes come from a book called, *Jewish Magic and Superstition*, that was finally published in 1939. At that point in time it was known that Jews were better magicians and it was also known that they were master poisoners. They used poison in their spells, and as they became closer to Satan, they used less poison and more spirits and sorcery.

**“Sorcery was a very real and terrifying phenomenon in those days, and many medieval Christians looked upon the Jew as the magician *par excellence*. The allegiance to Satan, attributed to Jews with an insistence that almost drowned out its true implication, was not merely a form of invective or rhetoric. Satan was the ultimate source of magic, which operated only by his diabolic will and connivance. Christian writers make it quite clear that this is the connection to which they refer. Secular and religious authorities took action time and again against the Jews expressly on this count”

“Another form which the charge of sorcery took was the recurrent accusation against Jews during the Middle Ages of feeding poisons to their enemies. Not alone were physicians accused of poisoning their patients, but Jews in general were considered especially adept in this art. In the Rhineland, in 1090, we learn of Jews dealing in various drugs and salves, and since the exotic elements of the medieval pharmacopoeia were imported from the East, we may surmise that during this period such items were part of the regular stock in trade of Jewish merchants. We hear rather often of Jewish trade in drugs, throughout the Germanic lands. But drugs and poisons were almost synonymous terms to the medieval mind—and to the equation we may add sorcery as well. “Poisoning was for a long time closely associated with sorcery and magic. Mysterious deaths might be attributed to the one or the other, and both purported to employ occult and sensational forces of nature. The same word was used in the Greek and in the Latin language for poison and sorcery, for a drug and a philter or magical potion. The fact that men actually were poisoned supported the belief in the possibility of sorcery, and this belief in its turn stimulated excessive credulity in poisons which were thought to act at a distance or after a long lapse of time. . . . Popular credence was strong as to the possibility of wholesale poisoning.” **

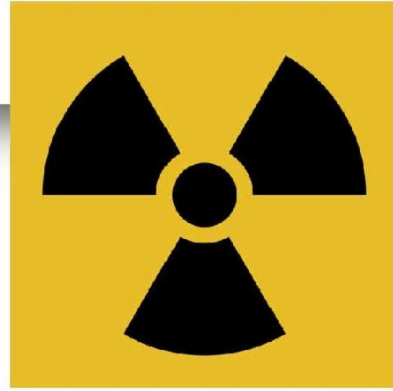

This sorcery goes on today. We can clearly see what they have been doing in the devil’s city, Washington DC, with the DC Street Sorcery.

Europe

Putin warns West of risk of nuclear war, says Moscow can strike Western targets

By Vladimir Soldatkin and Andrew Osborn

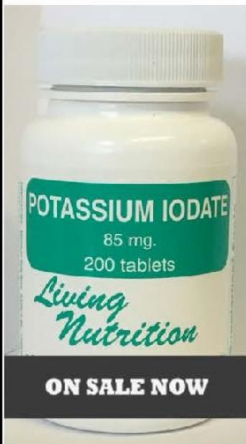

Remnant, It is NEVER a bad idea to be like a good Boy Scout:
BE PREPARED

With worldly events as they are, we have our Potassium Iodate available and on sale NOW, so you can stock up, just in case.

What is potassium iodate used for?

Potassium Iodate tablets are used **at the time of a nuclear emergency**; the tablets stop the thyroid gland (situated in your neck) from taking up radioactive iodine, which may be released into the environment following a nuclear incident.

SFA has 85mg, 200 tablet bottles of Potassium Iodate, for \$25.00.

Order 6 –11 bottles, get 20% off (only \$20/per bottle)

Order 12 or more, get 30% off (only \$17.50/per bottle)

ALSO REMNANT, our manufacturer of these bottles (of KIO3) had a few over-runs and label issues, and so we have 50 bottles FREE to the first 50 that request them. 1 free bottle per request, we do ask you to please include \$5.00 to help with postage.

WHAT IS TURMERIC?

TURMERIC

Our standardized organic turmeric with Bioperine “Black Pepper” meets our high expectations as a company that strives to only sell what we ourselves would

take. It is a product we fully stand behind.

I've personally been taking four capsules daily for months to help negate inflammation and reduce auto-immune symptoms. I can usually start to tell the difference when I go off of it for a while, that tell-tale soreness starts to creep into my feet when they hit the floor first thing in the morning. We believe this is one of the highest quality Turmeric products on the market today!

Turmeric, a golden-yellow spice widely recognized for its use in South Asian and Middle Eastern cooking, has also garnered attention for its potential health benefits. Integral to curry powders and mustards, its vibrant color and unique flavor are not the only reasons turmeric has been valued in culinary traditions. Curcumin, the active ingredient in turmeric, is believed to be the compound responsible for most of the spice's health benefits.

Anti-inflammatory Properties

Turmeric's most significant benefit lies in its anti-inflammatory properties. Chronic inflammation is a root cause of many health conditions, including heart disease, cancer, metabolic syndrome, Alzheimer's disease, and various degenerative conditions. Curcumin can inhibit many molecules known to play major roles in inflammation, but its bioavailability needs to be enhanced with other substances like piperine, found in black pepper, to be effective.

Antioxidant Capacity

Curcumin is also a potent antioxidant that can neutralize free radicals due to its chemical structure. Additionally, it boosts the activity of the body's own antioxidant enzymes, delivering a one-two punch against free radicals. By protecting our bodies from free radicals, curcumin helps guard against oxidative stress, which is linked to aging and many diseases.

Brain Function and Lower Risk of Brain Diseases

Curcumin can increase levels of Brain-Derived Neurotrophic Factor (BDNF), a type of growth hormone that functions in the brain. Many common brain disorders have been linked to decreased levels of this hormone, including depression and Alzheimer's disease. Therefore, curcumin could potentially delay or reverse many brain diseases and age-related decreases in brain function.

Heart Disease

Curcumin may help reverse many steps in the heart disease process. The main benefit of curcumin when it comes to heart disease is improving the function of the endothelium, which is the lining of your blood vessels. It's well known that endothelial dysfunction is a major cause of heart disease and involves an inability of the endothelium to regulate blood pressure, blood clotting, and various other factors.

Cancer Prevention and Treatment

Research suggests that curcumin has a range of effects on cancer. Studies have shown that it can contribute to the death of cancerous cells and reduce angiogenesis (growth of new blood vessels in tumors) and metastasis (spread of cancer). However, more research in humans is needed to confirm the effects of curcumin on cancer treatment.

Arthritis Relief

Given its potent anti-inflammatory properties, it's not surprising that turmeric could help with arthritis. Several studies show significant improvements in symptoms of arthritis and, in some cases, more effective than anti-inflammatory drugs.

Depression

There's also some evidence that curcumin can boost the brain neurotransmitters serotonin and dopamine, potentially helping to combat depression.

Digestive Health

Turmeric has been traditionally used in Ayurvedic and Chinese medicine to treat various digestive disorders. Its anti-inflammatory and antioxidant properties can contribute to healthy digestion and have been shown to alleviate symptoms of bloating and gas in some individuals. Furthermore, curcumin stimulates the gallbladder to produce bile, making the digestive system more efficient.

Skin Health

The anti-inflammatory, antimicrobial, and antioxidant properties of turmeric may provide benefits when applied topically or ingested. These properties can help in treating and preventing acne, eczema, and psoriasis. Turmeric masks are popular for skin rejuvenation and to reduce facial redness or scarring.

Immunity Booster

Curcumin has been found to modulate the activation of T cells, B cells, macrophages, neutrophils, natural killer cells, and dendritic cells, which are all vital components of the immune system. Its ability to modulate the immune system helps the body fend off various pathogens effectively.

Longevity

By combating chronic inflammation, protecting against oxidative stress, and supporting healthy brain function, turmeric may also contribute to longevity. Its potential to prevent gene mutations and reduce the impact of age-related diseases suggests it could play a role in promoting a longer, healthier life.

Weight Loss

Emerging research suggests that turmeric may aid in weight loss efforts. The anti-inflammatory and antioxidant effects of curcumin can potentially reduce the inflammation associated with obesity and help regulate metabolism and fat storage.

Organic

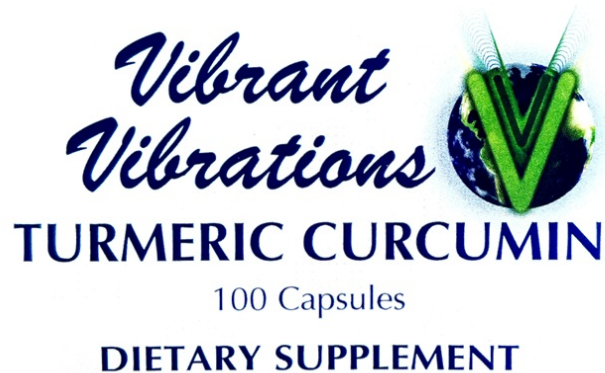

With the growing popularity of turmeric, it's also essential to consider the source of your turmeric powder or supplements. Opting for organic turmeric can reduce exposure to pesticides and support sustainable farming practices.

Conclusion

Turmeric's vast array of health benefits, from improving heart health and brain function to potentially aiding in cancer prevention and arthritis relief, makes it a remarkable addition to a healthy lifestyle. By incorporating turmeric into your diet, you're not just enjoying its flavor but also leveraging its therapeutic potential. However, the key to reaping these

benefits is moderation and ensuring it complements a balanced diet and healthy lifestyle.

DO YOU LISTEN?

HOW WELL
DO YOU
LISTEN?

Or maybe like me, you are learning to? If I would have been ranked on my ability to listening in my 30's, I would have come out among the world's worst. But the Holy Spirit is a great teacher! The first lesson I remember was in a home school meeting with about 20 other ladies; that still small voice whispered that I had just grossly interrupted someone in front of all those people, how very embarrassing! Step one, realize there is something wrong. Step two, start working to

NOT do it anymore. Step three, keep working at it the rest of my life.

It has been a good many years and I sometimes still totally fail, thankfully not as often or as badly. What is really awesome is, the more I practice this skill, the more I truly enjoy it. This definitely took a few years. This has also brought the joy of walking away from a conversation learning something, with a deeper understanding, rather than just shallowly talking about what I wanted to say.

Proverbs 1:5 *That the wise man may hear, and increase in learning; And that the man of understanding may attain unto sound counsels:*

Listening to people is definitely a skill I plan to continue to cultivate, but listening to the Holy Spirit is even more important. It is so easy to be busy and fly through a day. Even if I am praying as I go, it isn't enough. Pausing to truly listen is a skill that takes deliberation and attention.

A great way to minister to people is to listen to them! God has moved me into a space where I need to listen to people. This works infinitely better if I'm really invested in listening. Not only to the person sharing, but also to the Holy Spirit.

Very often through listening I can then share a few words of encouragement. On the other side of that coin, there can be a time to be done, to pass the baton, so-to-speak. Spending my time wisely is also important.

Most of my life I would wait impatiently when in the grocery store line, then one day I started seeking for a better way to spend that time. Physically I'm stuck there like everyone else. Investing that time in prayer and listening to the Lord totally changes the line-waiting experience. Now I am removed from all of those negative and ugly things that surround me. This is replaced with peace and direction. It didn't happen the first time I started to take my thoughts captive; but it did come with practice. Just like picking up a musical instrument, it isn't going to sound great without many hours of work first.

John 10:27 *My sheep **hear my voice**, and I know them, and they follow me.*

One thing that makes me really happy is being able to teach my children what I have learned. Not learning this skill myself until they were older, we all have the bad habit of being poor listeners. Many times I have brought their attention to poor listening and then encouraged them with the fact they get to start learning this as teens rather than having the humiliation of poor manners when they are much older.

A Wise Old Owl

Nursery Rhyme

There was an owl, liv'd in an oak
The more he heard, the less he spoke
The less he spoke, the more he heard.

A list of “folklore” uses include fighting infection, cancer, topical skin infections, prostate infections, pain relief, fights viruses, as well as candida or fungal overgrowth. Western medicine has begun to study some of them, with possibilities such as helping UTIs with its antimicrobial properties, reducing inflammation by increasing the Nrf2-target genes, a protein that regulates the expression of antioxidant proteins that protect against oxidative damage, triggered by injury or inflammation. A 2001 study showed its ability to lower feelings of pain by reducing the sensory processing of it, specifically related to arthritis, swelling and certain kinds of cancer.
