FIREARMS AND FREEDOM PT 1!
VOLUME 8, 2024

THE DRAGONSLAYER

Much debate has been made over the past years challenging our founding fathers true intentions to form a "Christian Nation." Discussion has arisen over our coinage and the phrase "In God we trust." These topics and an insight to our main American symbol. *Our Great Seal* speaks volumes as to our nations founding Christian principles! All of these topics and more are answered by Mr. Capt in a book he first wrote twenty nine years ago: *Our Great Seal*...a book that every Christian American should read, consider and discuss - the symbols of our Heritage and our Destiny.

The Great Seal of the United States of America is the symbol of our Nation's Independence. Its design constitutes our National arms. As the National arms the Seal states symbolically the principles which animated the founders of our Republic. Today these principles are being forgotten. Because they are being neglected America is fast losing sight of the two greatest forces that motivated our Founding Fathers - Christianity and Patriotism. From these two principles sprang our national constitutional laws freedom of speech and worship equality and fraternity.

Without Christianity & Patriotism, America can lose her place of leadership in the family of nations - perhaps even her freedom. To avert that danger we must go back to the fundamentals of true Americanism clearly set forth in the symbolism of the Great Seal of the United States.

Much detail is devoted to each one of the devices incorporated in the Great Seal and the spiritual significance attached to them. The book also includes a glossary of heraldic terms used in the description of the Great Seal that is most helpful in understanding the many devices that make up the Seal.

A special chapter is devoted to the *United States in Bible Prophecy* where Mr. Capt quotes from chapters 18, 42, 43, and 49 of the book of Isaiah, prophetic passages which he believes can most definitely be attributed to the USA. Another chapter deals with *America's Destiny* in which he again goes to the Scriptures to express his belief that America is indeed found in Bible prophecy.

Not only an impressively informative book involving our Great Seal, each device and symbolic meaning, but also an inspirational account of our heritage and destiny. *128 pages, paperback. \$15.00*

Greetings to the Remnant.

I hope and pray this finds you well and in the shelter of the Most High!

I would like to thank those of you who have stepped forward and wanted to assist in helping with the SFA Prison Ministry. Please take time and read the section in this newsletter, the "From the Mailbag (pages 28-29)." I hope it encourages you as much as it did me.

We had a large task of contacting all of the prisoners on the SFA Prison Ministry, updating information, along with a review of materials allowed to be sent into the prisons, as so many regulations have changed. We have added some new materials to the list of items we can get into the prisons. The first is titled "Spiritual Manna for the Wilderness," and in it there are sections on Prayers and Promises. It is a very good devotional-type book I believe will be a blessing to anyone who reads it. Also available to prisoners is the booklet, "Rejoice Always, A Sermon by Pastor Peters." It is my prayer that these two resources will be of much spiritual food for those that are incarcerated, and/or anyone who reads them for that matter! If you are reading this and on the Prison Ministry, simply write and request these items. We as Christians are told to do just that, to remember the prisoners. Again, thank you for your help!

Hebrews 13:3
Remember the prisoners, as though in prison with them, and those who are badly treated, since you yourselves also are in the body.

We recently received the book, "Execution by Hunger." It is a fantastic book and there were a lot of facts in it that I had forgotten about. There is a lot of history that took place in Ukraine that is not widely talked about or even remembered today.

About SFA 32

From the Editor @ SFA

We know our enemies, i.e., the enemies of Christ, are constantly trying to re-write history to further their agenda. **Luke 20:46** *“Beware of the scribes, who like to walk around in long robes, and love personal greetings in the marketplaces, and chief seats in the synagogues and places of honor at banquets.* Their full intention and desire is just like it says in **Psalm 83:4**; *“They have said, “Come, and let us wipe them out as a nation, That the name of Israel be remembered no more.”* That is why I believe, more than ever, it is the time to be praying **Psalm 83!**

Joseph Stalin, leader of the Soviet Union, set in motion events designed to cause a famine in the Ukraine to destroy the people there seeking independence from his rule. As a result, an estimated 7,000,000 persons perished in this farming area, known as the breadbasket of Europe, with the people deprived of the food they had grown with their own hands in their own land.

The Ukrainian independence movement predated the Stalin era. Ukraine, which measures about the size of France, had been under the domination of the Imperial Czars of Russia for 200 years. With the collapse of the Czariste rule in 1917 it seemed the long-awaited opportunity for independence had finally arrived. Ukrainians declared their country to be an independent People's Republic and reestablished the ancient capital city of Kiev as the seat of government.

However, their new found freedom was short-lived. By the end of 1917, Vladimir Lenin, the first leader of the Soviet Union, sought to reclaim all of the areas formerly controlled by the Czars, especially the fertile Ukraine. As a result, four years of chaos and conflict followed in which Ukrainian national troops fought against Lenin's Red Army, and also against Russia's White Army (troops still loyal to the Czar) as well as other invading forces including the Germans and Poles.

By 1921, the battles ended with a Soviet victory while the western part of the Ukraine was divided-up among Poland, Romania, and Czechoslovakia. The Soviets immediately began shipping out huge amounts of grain to feed the hungry people of Moscow and other big Russian cities. Coincidentally, a drought occurred in the Ukraine, resulting in widespread starvation and a surge of popular resentment against Lenin and the Soviets.

To lessen the deepening resentment, Lenin relaxed his grip on the country, stopped taking out so much grain, and even encouraged a free-market exchange of goods. This breath of fresh air renewed the people's interest in independence and resulted in a national revival movement celebrating their unique folk customs, language, poetry, music, arts, and Ukrainian orthodox religion.

But when Lenin died in 1924, he was succeeded by Joseph Stalin, one of the most ruthless humans ever to hold power. To Stalin, the burgeon-

From the Editor @ SFA

ing national revival movement and continuing loss of Soviet influence in the Ukraine was completely unacceptable. To crush the people's free spirit, he began to employ the same methods he had successfully used within the Soviet Union. Thus, beginning in 1929, over 5,000 Ukrainian scholars, scientists, cultural and religious leaders were arrested after being falsely accused of plotting an armed revolt. Those arrested were either shot without a trial or deported to prison camps in remote areas of Russia.

Stalin also imposed the Soviet system of land management known as collectivization. This resulted in the seizure of all privately owned farmlands and livestock, in a country where 80 percent of the people were traditional village farmers. Among those farmers, were a class of people called Kulaks by the Communists. They were formerly wealthy farmers that had owned 24 or more acres or had employed farm workers. Stalin believed any future insurrection would be led by the Kulaks, thus he proclaimed a policy aimed at, "liquidating the Kulaks as a class."

Declared "enemies of the people," the Kulaks were left homeless and without a single possession, as everything was taken from them, even their pots and pans. It was also forbidden by law for anyone to aid dispossessed Kulak families. Some researchers estimate that ten million persons were thrown out of their homes, put on railroad-box-cars and deported to "special settlements," in the wilderness of Siberia during this era, with up to a third of them perishing amid the frigid living conditions. Men and older boys, along with childless women and unmarried girls, also became slave workers in Soviet-run mines and big industrial projects. Back in the Ukraine, once proud village farmers were by now reduced to the level of rural factory workers on large collective farms. Anyone refusing to participate in the compulsory collectivization system was simply denounced as a Kulak and deported.

Firearms and Freedom!

Firearms and Freedom!
(Gun Control Means People Control!)
By Col. Jack Mohr

Remnant, Col. Mohr's timeless message on the evils of gun control is needed NOW more than ever. This truth-filled and prophetic warning is a must-read and must-share for all who love their neighbor, this country, and their Lord and Savior Jesus Christ. Part 1 is presented in this month's DragonSlayer Newsletter, with Part 2 following next month. The entire message is available in a booklet form.

Then He (Jesus) said unto them (His disciples): "...he that hath no sword, let him sell his garment and buy one.

Our Founding Fathers were not only politicians; first and more important, they were statesmen. (We have not had one worthy of this title in America, since General Douglas MacArthur was smashed by the liberals, because he believed, "there is no substitute for victory," and sought to win the War in Korea, over the objections of the politicians who were even then playing the New World Order game).

These men established this country as a Republic, not the Democracy which has been crammed down our throats for the last fifty years. Today the term we hear used universally is, "America is a democracy!" Yet any honest study of history will show that Democracies are one of the worst forms of government ever developed by mankind, and have never lasted. They always degenerate into dictatorships.

Firearms and Freedom!

The government we have today, is closely akin to Jewish inspired Communist-Socialism!

Today, the men who have been voted into office since 1913, have turned this mighty Constitutional Republic, from a giant among the nations, to a Democrat weakling, then a Welfare State, until today we are tottering on the dangerous edge of totalitarianism, which will be worse than anything we can imagine!

I am honored to be able to present you with these truths. The interest of many of you in our 2nd Amendment rights, in the face of tremendous odds, reminds me of a story I heard one time about a Texan who was visiting the Niagara Falls in Canada. As he watched this majestic natural display of power, a Canadian said to him, "I bet you don't have anything like this in Texas?" To which he replied: "Sure don't, but we got a plumber in Houston who could stop that leak."

So, let's take some time and look at the "leak process" in America, which has become a destructive torrent. Today we need, "patriotic plumbers," who will stop this leak!

Since I am not trying to win a popularity contest, nor am I running for office, I will be able to tell you the truth. Some of you undoubtedly won't like what I have to say, but it's the truth. I may have to say, as the Apostle Paul did to the church at Galatia, "Am I therefore to become your enemy, because I tell you the truth?" (Galatians 4:16)

Our situation in America reminds me of another Texas story. It seems that a cowboy was riding across the Panhandle during a blizzard, when he came across a huge rattlesnake that had been frozen in its coils. For some strange reason he felt sorry for it, and dismounting he placed it inside his fleece lined coat and rode on. When the snake thawed out, it bit him, and as he died in agony, he said: "Mr. Snake, why did you do that when I was trying to help you?" And the snake replied: "You dumb cowboy, you knew I was a rattlesnake all along!"

Firearms and Freedom!

The moral of the story is that you can't play, "patty cake" with a rattlesnake without getting bit!

Our Founding Fathers realized this, for as George Washington once said: "Government is like fire. It can be a good servant, but once out of control it becomes a frightful master." Another of the Founding Fathers said, "because of this we must bind down big government with the chains of the Constitution."

So, they set about to establish a government where individual freedoms were given top priority, such as the world had never seen before. They were incorporated into a matchless document which we call the "Bill of Rights." It was added to the original Constitution, when many of the Founders would not sign it until these freedoms were included. The "Bill of Rights" was designed to protect the American people from a government, which some time in the future, might turn away from being the servant of the people, and attempt to become their master.

It could more properly be called a "Bill of Limitations," for this is what it does to big government. The first nine of its Amendments say to government: "Thou shalt not! Thou shalt not! Thou shalt not!" Then the Tenth says in essence, "Government, if there is anything we forgot in the first nine, you can't do that either, unless we the people give you that right! And this nation truly became a nation, "of the people, by the people, and for the people."

To put teeth into this "Bill of Rights," and protect it and the people from government, the Second Amendment was inserted. This was not for the purpose of giving Americans the right to own guns for hunting, or target practice, but to protect them from a government which got "too big for its britches!" By adhering to these principles, this country has remained free for over 200 years.

Firearms and Freedom!

Unfortunately, in our search for a "better way of life," the "American Dream" some call it, many good, Christian Americans have forgotten the purpose of government, which is to protect its citizens, not become their nursemaid.

At no place in the Constitution, or in any law of the land, does a city have the right to tell you that you can't build on your own property without a "city permit" or a "building license." In no place does the government have the right to say: "You can't drive on our public highways unless you purchase a driver's license from us." Yet government has usurped these rights and many more. There are certain God-given rights which government may not tamper with, yet today, our politicians have thrown the "Bill of Rights" into the garbage can, as they make "rules and regulations" which are designed to control our people and turn them into slaves.

Few Americans realize that the alien plans for the Federal Reserve System, which now illegally controls our economy, was hatched in Europe by the International Jewish banking family of the Rothschilds, over 150 years ago, when they made plans for the future control of our economy, and the wealth which went with it. This is why there is no possibility of government "balancing the budget," as long as this monstrosity is in place. Our politicians know this, even those who shout the loudest about "balancing the budget!"

Firearms and Freedom!

This foreign element, made up exclusively of alien-Jewish bankers, has literally robbed the American people of trillions of dollars in our national wealth, and today is the driving force behind the institution of the Global Plantation which will complete their plans for world slavery.

The great German statesman, Otto Von Bismarck realized this before the War Between the States began and said that an insidious process was in operation in Europe in banking circles (Jewish all of them) to keep America under control, by controlling her economy. "If she is ever allowed to print her own currency, we will never be able to subjugate her," they said.

Nowadays, you are apt to hear some "jerk" say: "Our Constitution is out of date. It was written for the horse and buggy days; we need to revise it for 21st Century America!" They forget one essential "fact of life," and this is that, "Truth is eternal. It never changes!" It does not change from one century to another, no matter whether men like it or not! The interpretations of Congress, or the Supreme Court, cannot change the Constitution, for the basic truths are as "self-evident" now, as they were the day the "Bill of Rights" was signed. Today this nation is being destroyed by evil men in public office, who for their own nefarious reasons have discarded the truth of the Constitution.

America's elder statesman in 1776, Benjamin Franklin, once said: "He who values his safety more than he does freedom, deserve neither."

Yet in recent years, Americans have been on a

Firearms and Freedom!

"safety binge," and as the result, the "chickens of our evil domestic and foreign policies" are "coming home to roost," and we don't much like what is being hatched.

In 1913, we allowed an alien, foreign power to seize control of our economy, when a traitorous President Woodrow Wilson, while his Jew advisor, Col. Edward Mandel House, and a treasonous Democratic Congress, railroaded the Federal Reserve Act into law, and our economy became subservient to alien interests.

Today our national debt is controlled by eight privately owned banks, who control the Federal Reserve. They are above the law and do not answer either to the President, Congress, or the American people.

Here are the banks which control our economy:

- 1- Rothschild Bank of London and Berlin;
- 2- Lazard Brothers Bank of Paris;
- 3- Israel Moses Seif Bank of Italy;
- 4- Warburg Bank of Hamburg and Amsterdam;
- 5- Lehman Brothers Bank of New York;
- 6- Kuehn-Loeb Bank of New York;
- 7- Chase Manhattan (Rockefeller's) Bank of NY, and
- 8- Goldman Sacs Bank of New York

These banks are all owned by International Jewish bankers. They control our economy and national debt. Our National Debt can never be paid, as long as these vultures control our economy. They are also the "driving force," behind the New World Slave Order.

So, as Americans have searched for the "easy way - the good life, we have become a lazy, greedy, backsliding people and nowhere is this more evident than in our churches. Most pastors love to talk about the "goodies" folks can get from God and tell of all the blessings they will receive if you support their particular ministry, but we hear precious little about our responsibilities to God and our

Firearms and Freedom!

fellowmen. We are beset with the Oral Roberts Syndrome: "Something good is going to happen to you today, IF you support my ministry!"

Because of this attitude, good people, Christian people, have been hiding in their comfortable, spiritual fox-holes, waiting for Jesus to handle the dirty work that He gave them to do, and the battle rages outside and the enemy gets ready to take over.

The Prophet Jeremiah explains this in (Jeremiah 5:31): "A wonderful and horrible thing is committed in the land; the prophets (preachers) prophesy (preach) falsely, and the priests (politicians) bear rule by their means, and my people love to have it so. What will ye do in the end thereof?"

How can you possibly protect a people who are willing to allow the enemy to run their lives? It's impossible! Yet it is being attempted in this country.

No group in America has been more negligent than those of us who call ourselves Christian. I can say this because I am one of this group! Instead of being "front-line soldiers," in the battle which rages for our souls and our freedom, we have been cowering in our spiritual foxholes, asking God to save us from the results of our own apathy. According to Isaiah 59:2, God does not even hear the prayers of many so-called Christians. He most certainly does not answer those who are in DISOBEDIENCE to Him!

Instead of a battle cry coming from the Christian church, we have heard the whining excuse: "You can't allow the church to have influence over the State." Or as one woman told me, when I was lecturing on Gun Control in Minneapolis a few years ago: "Colonel, I believe everything you said tonight, but I'm born again, you know, and I don't have to worry about things like that. Jesus will come back and rapture me away before it gets all that bad!" Talk about being wrapped in a sheet of self-righteousness, that old sister was wrapped in a shroud and didn't know it!

Firearms and Freedom!

Christians, for the most part, in 1997, have become the "salt which has lost its savor," its ability to halt corruption, and Jesus said in Matthew 5:13, that when this happens they are good for nothing but the "garbage heap!"

If you want proof of this, answer the question, if you can, why with 50-million "born again" Christians in America, we are headed for hell faster today than at any time in our history? Something is obviously wrong! In Jeremiah 23:22, we are told that if the preachers of the land would preach the "whole counsel" of God's Word, the people would "turn from their evil way, and from the evil of their doing." This hasn't happened, which indicates to me that something is sadly lacking in the preaching coming from our churches, even those that are growing the fastest.

We have become like the woman I heard about who had been mugged and raped in Central Park New York. A man found her laying on the ground, bleeding from her wounds. He said: "Shall I call the police!" to which she replied: "No don't! I don't want to become involved!"

Our danger in America at this time is not from Communist Jews, or radical aliens, although they have certainly added to our problems. The major danger we face comes from White Christian people who have been elevated to positions of trust in our government, and have betrayed this trust! And to the good people who have allowed them to get by with their treason! The JEWS and ALIENS are not the CAUSE, they are the EFFECT of our DISOBEDIENCE to God. If you want scriptural confirmation for this, read Deuteronomy 28.

We all know that when a public official takes an oath of office, many times with their hand on the Holy Bible, they say they will "protect this country from all enemies, both without and within, and will bear true allegiance to our Constitution."

Firearms and Freedom!

Many of them are not doing this! Instead, they do what is "politically expedient," and which gets them the biggest reward."

A Jewish rabbi named Cohen, from the YESHIVA, the Jewish Seminary in New York City, recently said: "We (Jews) now control America through the governmental powers that we have usurped. They are our slaves, but first we must make them fearful and anxious. They must become willing to give up their Constitutional Rights in exchange for promises of safety and security. We (Jews) are fighting against time. The patriots and some Christians are getting too close to the truth. We cannot allow this to happen. They will begin by voting our allies out of office."

This is what has happened since World War II.

How far will you Christians go in defending these enemies of God and your Savior? Is it because you do not understand the depth of hatred they have for your Savior and for all of you who go by the name of Christian? Why are you willing to engage in national suicide?"

Cohen went on to explain how Jews, numbering less than 4% of the population, could control the country. He said: "It is easy! We control the media, the newspapers and the magazines, the wire services, the TV and entertainment. We are free to make the 'goyim' of America think what we want them to think! As they think, so will they do! How can they not believe, when a thousand identical fingers all point to the same accusation? We have already enslaved their minds, and they do not realize it. But I warn you, we MUST not allow them to learn the truth, for if they wake up, we are finished"!

Now I realize that those of you who read this and come from a Judeo-Christian church will find these facts hard to accept, since you have had pounded down your throats, the falsehood that Jesus was a Jew and that the Jews

Firearms and Freedom!

are God's Chosen People. This in spite of the fact that your Savior definitely said otherwise. (See John 10:26), where He told their leaders: "But ye BELIEVE NOT, because ye are NOT OF MY SHEEP;" (emphasis mine), or Matthew 23:15, where He accused them of turning their converts into, "two-fold more a child of hell than yourselves."

Hardly a criteria for God's Chosen!

Cohen continues: "Like the animals they are, the 'goyim' can be dangerous to us. Fortunately for us, we have ensconced in the White House, the greatest friend the Jews have ever had, President Clinton. He has been of great benefit to us and will be rewarded, and he knows this!"

To prove this, notice how Clinton has appointed to high government positions over 60 anti-Christ Jews, although he professes to be a Christian.

You may ask: "Why have you brought the Jews into this discussion. I thought you were speaking on Gun Control?" The reason, as any thinking person should be able to see, is that Jewish influence in America is foremost in every effort to destroy White Christian civilization. They openly boast of it! This MUST begin by DISARMING us. The idea that out there somewhere, are men and women who love God, their own people, their country and their family; that they are armed and willing to fight for these things, is something their narrow souls can't comprehend and it "scares hell out of them!" Don't argue with me about the Jews and what they have done to harm America, look at the names of those who have been found guilty of treason against America; those who back every evil thing which is destroying our moral foundations, and you will find a preponderance of Jewish names. I'm not responsible for the fact that they are Jews, I'm just telling you the truth about it! You can reject the truth and take the consequences of becoming slaves. That's your right!

Firearms and Freedom!

When will our Christian people have the courage to say to our government: "This is enough! This is as far as we will allow you to go!" Instead, the Judeo-Christian preachers will pontificate on Romans 13 and tell their people how Christians **MUST** obey their government, even when it is anti-Christian!

Today, as TREASON has become profitable in that "cesspool of iniquity on the Potomac," that we call our Nation's Capital, many elected officials have opted for a giant socialist bureaucracy which controls our people from the "cradle to the grave," and which is leading them into One World slavery!

The purpose of this message is to analyze one very important part of this conspiracy, which is designed for ultimate control over all mankind. It is popularly referred to as GUN CONTROL! I am going to use this subject as the "jumping off point," into an even more important subject, which might be titled "People Control!"

REMEMBER that GUN CONTROL ALWAYS MEANS PEOPLE CONTROL!

There is no area in American politics, where more bureaucratic pressure has been exerted, than on Gun Control!

Firearms and Freedom!

Over a 100 years ago, the internationally famous lawyer, Frederic Bastiat said: "Each of us has the natural right from God, to defend his person, his liberty, and his property. These are the three basic requirements of life; the preservation of any of them is completely dependent on the other two."

Civilized laws, during the 6,000 years of written history, have been based on this premise. It was the idea our forefathers had in mind, when on a foggy day, June 15, 1215, in a place called Runnymede, England, they gathered, sword in

hand and demanded these liberties from the despotic King John. This became known as the Magna Carta and was the basis of our Constitution. It was with this same idea in mind, the framers of our Constitution wrote

the 2nd Amendment, giving the PEOPLE the means to protect themselves against a despotic government. Notice its specific wording: "The right of the PEOPLE (not the National Guard, or the Militia, but the people) to KEEP and BEAR Arms, shall not be INFRINGED." (This means it may not be tampered with by government, at any level, for any reason). They wanted future generations to be sure of its meaning, that this RIGHT belonged solely to the PEOPLE, and that it was given by God Himself!

The 2nd Amendment was not given to protect our hunting rights, or our rights to belong to some Shooting Club, it was designed as a final protection against a government which turned from being the "servant" of the people and attempted to become its "master."

Firearms and Freedom!

Thus, this is the principal reason we **MUST** retain this right!

We know the plans of the International Zionist gangsters are to control the world, for they have told us so plainly. This was the major purpose behind International Communism, which was the "brainchild of Zionism."

We know this, for Jewish sources, such as their leading newspapers have bragged about it. This was the force which has been responsible for the horrible deaths of over 100 million people, including millions of Christians, who are always the main object of their hatred.

Since they have not been able to finance a big war since World War II, which they feel will be necessary to control us, they have done it by insidiously inserting their agents within our government, our media, our education system and many of our Judeo-Christian churches. Our main danger today is not from Moscow, or Beijing, but from Washington, D.C., New York City, and Jerusalem.

Rabbi Cohen stated: "Although we Jews make up less than 4% of the U.S. population, sixty percent of President Clinton's political appointees have been our people. We now control the Supreme Court, national judges, Ambassadorships, the F.B.I., the C.I.A., and the B.A.T.F. We now control America's governmental powers which we have usurped. Our first task is to make Americans fearful and anxious. They must be willing to give up their Constitutional rights in exchange for our promises of safety and security."

Firearms and Freedom!

What we see happening in America is nothing new. It is a repeat of history as seen over the centuries.

A vile, wicked man is elected to the highest office in the land, by a Constitutional vote of a free people in a democratic country. This ungodly schemer realizes that only a dramatic act of chaotic evil will catapult him towards dictatorial power. Therefore, this national leader orders the destruction of a Federal building, not caring about innocent lives which may be lost. In a brilliant diabolical move, he blames the fiery carnage on his enemies, in this case Christian Patriots, and cleverly inflames the public against them via the media.

Then he orders law enforcement to become involved and hundreds, nay thousands of innocent men and women are swept up in the government net. Most of these will be Christians who have refused to bow their knee to his evil desires. He has his minions plant evidence to frame these people and then smugly announces over national TV that, "I am doing this to protect you," and the "brainwashed" simpletons, sitting before their TV "boob tube," proclaim him a hero, and re-elect him for another four years of chaos, not realizing that this time it may end in slavery and death!

Actually, he is fulfilling the prediction Jesus made in John 16:2, when He said: "They will put you out of the synagogues (meeting places); yea, the time cometh, when whosoever killeth you (true Christians), will think he doeth God service." So, through use of the controlled media, the general public is inflamed against the Christian Patriots, who are really the only people who care about the future of America. The others have already proved they do not care by their apathy!

As acts of planned government terrorism escalate, people will agree to give up more and more freedoms, until one day they find themselves trapped in world slavery.

Firearms and Freedom!

The national leader will explain to his people, via TV and the media, that respect for his government MUST be the prime objective of the day and widespread legislation will be passed by a subservient Congress. Anyone who opposes the leader's plans will be classified as a "hate monger" and a danger to humanity. "We MUST purge the nation of this evil," will be his cry! His first act will be to take firearms out of the hands of the good citizens who just might oppose him. "Why do good citizens need firearms"? he will say. "The government will protect them." (Sort of like having a fox guard the chicken coop.)

Then, once disarmed, the plans for enslaving the people can go forward, as his world masters have planned all along.

Unfortunately, the people who should be in the forefront of the fight to preserve freedom and our right to keep and bear arms, the Christian ministry, will be in the forefront of the effort to appease the anti-Christ in charge of government, and thus maintain their "tax-free" status. They will trumpet the planned message that Christians MUST never use force, no matter what the provocation, even though the Apostle Paul tells us in 1 Timothy 5:8, "If any PROVIDE not for his own, and especially for those of his own house, he hath denied the faith, and is worse than an infidel." The English word PROVIDE, comes from the Greek PRONEO, which literally means, "to look out for beforehand," which most certainly would include their protection. This is what this message is all about. Your Christian duty to protect your family, your nation, and your freedom!

I was made aware of the "pacifist" position of the National Council of Churches many years ago. (It has now infested most of the Judeo-Christian churches). I was debating a United Methodist minister on a Minneapolis Radio Station on the Gun Control issue when he said: "The only reason you

Firearms and Freedom!

would want a gun is that you intend to kill someone."

My answer was: "A statement like that doesn't deserve an answer, but I'm going to give you one anyway. I have a gun for the same reason I keep a fire extinguisher in my house, I don't expect the place to catch on fire, but it sure would be nice to have if it ever did!"

When I asked him what he would do, if someone broke into his home and threatened his wife and daughter with rape. He replied: "I wouldn't do anything if it meant using violence!" My reply was: "You are beneath the contempt of a decent man!" A man who has this attitude shouldn't be considered as a man, no matter how religious he may be!

The Judeo-Christian crowd love to quote Christ when in His Sermon on the Mount, He said: "Love your enemies, bless them that curse you, do good to them that hate you, and pray for them that despitefully use you, and persecute you." Jesus spoke these words, yes He did! But I have found that most of them, including their pastors, don't really mean them. When I broke away from the Judeo-Christian philosophy in 1980, and began to preach the truth about Judaism, (I didn't change my doctrinal teaching), they descended on me like a "hawk on a June bug," and tore me into bits, calling me names such as "apostate," "hate monger," "anti-Semite," and worse. Yet in the years which have passed, not one of these ministers who used to be my friends has ever tried to show me where I was wrong. They avoided me as though I had the plague! So much for "love your enemies."

But these same preachers are not honest enough with their people to go further than this verse which deals with treatment of personal enemies, to show you what the Word says about the enemies of God.

If these ministers were honest, they would study the meaning of the word ENEMY, and find that it has two meanings. There is an enemy in the "national or racial" sense.

Firearms and Freedom!

The Jews are such an enemy to White Christianity in particular, by their own open admission. The Christian soldier has the obligation to defend himself, his loved ones and his country against such an enemy.

Then there is the enemy of God, which the Bible speaks about in 2 Chronicles 19:2 "... shouldest thou help the ungodly? and love them that hate the Lord? therefore is wrath upon thee from before the Lord." (This is what you do when you support Judaism in any way!) Then there are David's words in Psalm 139:21, 22 - "Do not I hate them, O Lord, that hate Thee? and am not I grieved with them that rise up against Thee, I hate them with a perfect hatred; I count them as my enemies." This is the kind of HATRED all true Christians should have. Yet in over sixty years in a Judeo-Christian church, I can never remember hearing either of these two passages read, to say anything about having sermons preached on them.

Then there is the personal enemy that Paul speaks about in Romans 12:10, when he said: "If thine enemy hungers, feed him, and if he thirsts, give him drink!" From the context of this verse, we know he is speaking about the Christian or racial brother who may be at odds with us. He goes on to say that we should be willing to suffer loss, rather than to take a Christian brother into court, and thus bring disgrace to His Kingdom Movement.

Hand That Rocks the Cradle

Hitting Someone isn't Wrong.

As the words left my mouth that day I felt a weight lift from the room. I'd just told a room full of conservatively raised children, mostly boys, that hitting someone is not inherently wrong. The situation was, one small kiddo had started antagonizing another, and then kept at it; causing a growing problem until the larger, older child had enough and handed out one solid blow. This wasn't underhanded or a face blow; just a solid sock on the arm, firmly saying, "That's enough."

When I asked this room of eight, fairly young (mostly) boys what happened, the general consensus was: "Yes, this kid hit someone, so he must be the one to get in trouble." The look on all the little faces had injustice written on them. Yes, he had been provoked intentionally and repeatedly until he struck the first blow. I could see the justification in the children's faces as they thought, "He deserved the hit, he really provoked it, but the second child must be in trouble because he hit someone else." As the words left my mouth you could see the little round eyes open in thought and amazement; an adult telling them firmly that hitting someone isn't always wrong.

These were not dainty children, but salt of the earth ones.

Yet our overly coddled, "everyone is the same, no one left behind, all feelings count," world had penetrated to the point I'm not sure that even I had heard that before. I know I hadn't said it. At least not in those exact words. As a mom of three boys,

those words resounded in my head, I was shocked to realize "the world" had penetrated so deeply even to my children so that they had come to think that hitting at ALL is inherently wrong.

Hand That Rocks the Cradle

The Bible teaches us to turn the other cheek, and to walk two miles. It also clearly says, an eye for an eye and tooth for a tooth, to hate those that hate Thee and salt that is not salty is good for nothing.

Leviticus 24:20...breach for breach, eye for eye, tooth for tooth; as he hath caused a blemish in a man, so shall it be rendered unto him.

Psalms 139:21 Do not I hate them, O Jehovah, that hate thee?

Matthew 5:13 Ye are the salt of the earth: but if the salt have lost its savor, wherewith shall it be salted? it is thenceforth good for nothing, but to be cast out and trodden under foot of men.

Our oldest son, when recently discussing a bullying situation, shrugged his shoulders and quoted; “As you’ve always told us mom, when someone is being destructive to a person or property, you can ask them to stop, and then you can tell them to stop. If you really don’t want to cause a problem, you can inform them if they do not stop, you’re going to at least try and make them. Then you kick their ass, and if you get knocked down, you get back up and try again. You don’t hit someone that’s down and you don’t harm someone smaller than you.”

In our current, overly-sensitive culture, it is necessary to teach our boys, that we want to see grow into strong men, the ones that will defend the weak, and not enable the wicked. They may need to hear the words; hitting itself isn’t wrong, only hitting at the wrong time.

Mom...

From the Mailbag

Hello Y'all,

You prayed for me tonight, June 26, 2024. Paul talked about tithe during the prayer meeting. I said to me, I do tithe! Got out my check book to go ahead and pay the July tithe. I said what?? I did not send the June tithe! I get my SS the third week in the month and my retirement the last day of the month. I shout halleluiah Praise the LORD when the funds hit my bank. Blessings to you all there. TX

Jason,

Thank you so much for remembering and maintaining your prison outreach program. Some 20 years ago, after a long, hot day on the Alabama chain gang, I found a copy of your DragonSlayer booklet on my bunk.

Out of boredom I read the writings of the late Pastor Peters. However, the devil had a pretty good grip on me, but some of the writings kept creeping into my mind. After reading the booklet the third time, I wrote to your Church requesting to be put on your mailing list.

Finally I began looking forward to those DragonSlayer booklets, and started attending the chapel Sunday services, and between Pastor Peters and the Chaplain, I finally found my way back to God.

Even now, after being released a decade ago, I still look forward to the DragonSlayer booklet every month. They give me so much inspiration and contentment. Every Sunday I look forward to the warmth and fellowship of my Church.

None of this would have happened if I had not found that DragonSlayer booklet that fateful day. Please keep up the good work and helping other lost and forgotten souls find their path back to the Grace and Mercy of God.

Sincerely, RC

Hi Jason,

I can't remember if I sent my contribution for June. If I did, you got double. Oh well.

I was so happy to see your correspondence with Yori Kahl. Do you ever hear from Scott Faul? I had considered contacting the State Legislature and harassing them to do something to get those boys pardoned. This issue is sure a black spot for North Dakota. I was advised not to start anything, as they are in Federal prison, not State, and at the time it was rumored that they may be released and I'd probably just cause trouble for them. We have a local TV station, B&K, with a program called, "Ladies of Another View." They bring up all kinds of issues as long as they don't do anything to cause B&K to lose their license. Boy do they hit the topics.

They will cover most anything and I had suggested to the, per phone, that they bring this case to light again, but they didn't do it. There is so much current dirt they probably don't have time or they just don't care.

From the Mailbag

As usual, I am so grateful to receive the DragonSlayer and the monthly CD's. I've learned a lot over the years. Whenever I've been allowed to present something for Church, I try to find an article from the DragonSlayer. I'm not asked very often anymore, as there is one lady that doesn't like what I talk about and she's got "clout." Anyway, keep up the good work and stay safe. God bless. ND

Dear Jason,

I would like to take a moment to share what SFA means to my family and me.

Several years ago, I came to the understanding that the modern church was nothing more than an apostasy and void of any real Biblical truth. I decided then that I would not darken the door of another such church.

About 4 years ago, while searching for information on Col. Jack Mohr, I found Pastor Peters and Scriptures for America, and let me tell you, life has not been the same!

I have been a churchgoer since my early teenage years and never have I heard pure Biblical truth presented in such a clear, concise and understandable way as Pastor Peters.

Pastor Peters' preaching and teaching is more relevant and fresh today than when he first preached them. It is amazing to me when my family and I listen to a message and are able to apply the teachings to what is currently happening in our world. He truly was a Prophet of God.

Our enemy, Satan has successfully removed the truth from modern church pulpits. We are living in a time when the remnant is actively seeking the truth and each other.

Micah 2:12 says, *I will certainly assemble all of you, Jacob, I will certainly gather the remnant of Israel. I will put them together like sheep in the fold; Like a flock in the midst of its pasture. They will be noisy with people.*

The SFA ministry is more important now than it ever has been. It is a place for our people, the remnant of Israel, to gather and worship. Speaking personally for my family, we would have no church if not for Scriptures for America. We know that God is using the ministry as a pasture for his lambs.

We pray blessing on you, Brother Richard and Brother Zach and for all of our brothers and sisters on the ministry. Thank you for your faithfulness to our Lord and his Word.

Respectfully, W. in TX

SCALP DANCE

Some of the most savage war in world history was waged on the American Plains from 1865 to 1879. As settlers moved west following the Civil War, they found powerful Indian tribes barring the way. When the U.S. Army intervened, a bloody and prolonged conflict ensued. Drawing heavily from diaries, letters, and memoirs from American Plains settlers, historian Thomas Goodrich weaves a spell-binding tale of life and death on the prairie, told in the timeless words of the participants themselves. *Scalp Dance* is a powerful, unforgettable epic that shatters modern myths.

In 1929, in an effort to destroy the *well-to-do* peasant farmers, Joseph Stalin ordered the collectivization of all Ukrainian farms. In the ensuing years, a brutal Soviet campaign of confiscations, terrorizing, and murder spread throughout Ukrainian villages. What food remained after the seizures was insufficient to support the population. In the resulting famine as many as seven million Ukrainians starved to death.

This poignant eyewitness account of the Ukrainian famine by one of the survivors relates the young Miron Dolot's day-to-day confrontation with despair and death—his helplessness as friends and family were arrested and abused—and his gradual realization, as he matured, of the absolute control the Soviets had over his life and the lives of his people. But it is also the story of personal dignity in the face of horror and humiliation. And it is an indictment of a chapter in the Soviet past that is still not acknowledged by Russian leaders.
