Greetings Remnant!

I hope and pray this Volume 4 of the DragonSlayer Newsletter finds you well and in the shelter of the Most High. Last week we observed the Passover on the evening of April 2nd and it was a blessed time with several new attendees that joined us through the internet. If you missed the Passover, it is of such true Biblical importance that there is a make-up day, 30 days later, on May 2. You can read about this in Numbers 9 and 2 Chronicles 30.

Remnant, we want to encourage you during these perilous and unsettled times to keep praying, keep praying **Psalm 91** and **Psalm 83!** These are available on the SFA Bible Bookmarkers as well.

Spiritual Warfare: The Enemy's Flag

In the aftermath of The Battle of First Manassas in the War Between the States, Confederate soldiers complained that at a distance they could not distinguish between the "Stars and Bars" and the "Stars and Stripes" of the Federal flag. Many lives were lost and many soldiers were taken prisoner due to this confusion on the battlefield.

Spiritual Warfare: The Enemy's Flag

This was such an important issue that Confederate General Beauregard designed the iconic Battle Flag of the Confederacy, consisting of two blue lines containing the thirteen stars diagonally across a red field. General Beauregard modeled this flag after the Saint Andrew Cross flag of Scotland. (Andrew was crucified in Greece for his refusal to acknowledge pagan gods).

The historical importance of the use of flags in warfare is often overlooked and rarely spoken of. The following is a quote from the Smithsonian Institute's Civil War 150 website, *"Flags signaled other units in battle, but were also a tangible manifestation of the beliefs and spirit of a group of people. As such, flags were protected to the point of injury or death. Men in service took pride in what their flag meant, whether it symbolized their particular corps or the larger intentions of war. Designating flags were used to organize army units, whereas other flags directly represented the two warring factions."*

The part of that quote that stands out to me is the idea that a country's **flags are a tangible manifestation of the beliefs and spirit of a group of people.**

Let us take a deep dive into the Israeli flag and decipher what exactly it means.

Theodor Herzl is considered the father of modern Zionism. As a matter of fact, he is specifically mentioned in the Israeli Declaration of Independence and is officially referred to as "the spiritual father of the Jewish State". [1]

In 1896, Herzl authored the pamphlet, "Der Judenstaat" which is German for "The Jewish State." The original title of the

Spiritual Warfare: The Enemy's Flag

pamphlet was, "Address to the Rothschilds," referring to the Rothschild family banking dynasty. [2] We will talk more about them later.

The pamphlet promoted the idea that in order to combat "European Anti-Semitism," Jews should relocate to one central area in order to form a self-governing body. It should be noted that British Palestine was only one suggestion for this "Jewish Homeland." Other countries including Argentina were suggested as suitable locations for the Jews to relocate. [3]

As we know, the "State of Israel" came into being in 1948 (That is a story for another time). With the establishment of a new country and government came the need for a new flag. A symbol to represent the ideals, beliefs and vision of those people who were to populate its physical borders.

It may surprise you to learn the flag flown by the Jewish state was designed by American Jews and was voted into existence by American Jews. [4]

The most prominent symbol on the flag of the Jewish nation is the blue six-pointed star. The star is commonly referred to as the "Star of David" referring to the Israelite King David (Notice I didn't say Israeli).

What is the origin of the "Star of David"...

The Jewish community of Prague was the first to use the Star of David as its official symbol, and from the 17th century on, the six-pointed star became the official seal of many Jewish communities and a general sign of Judaism, though it has no biblical authority.

The Universal Jewish Encyclopedia declares that the six-pointed star—according to the star-worshipping Rosicrucians—was known to the ancient Egyptians. The religion of the ancient Egyptians is known to have consisted preeminently of sun-worship.

God forbade the Israelites from worshipping the sun, moon, stars, and all the host of heaven.

Spiritual Warfare: The Enemy's Flag

Deuteronomy 4:19 *And be careful not to raise your eyes to heaven and look at the sun, the moon, and the stars, all the heavenly lights, and allow yourself to be drawn away and worship them and serve them, things which the Lord your God has allotted to all the peoples under the whole heaven.*

The six-pointed star can be traced through the worship of Ashtoreth and Chiun and Remphan (meaning 'star') from the Egyptians before King Solomon's time. God strictly warns Israel not to worship the pagan star god in the Book of Amos.

Amos 5:25-27 *Have ye offered unto me sacrifices and offerings in the wilderness forty years, O house of Israel? But ye have borne the tabernacle of your Moloch and Chiun your images, the star of your god, which ye made to yourselves. Therefore will I cause you to go into captivity beyond Damascus, saith the Lord, whose name is The God of hosts.*

We are aware that the pentagram and hexagram are directly associated with witchcraft and occultism. The six-sided star continued to be prominent in pagan worship and the occult throughout the centuries.

In fact, the hexagram has been so closely associated to the occult and witchcraft, the word was shortened to reflect putting a curse on someone....you've heard of someone be hexed or having a hex put on them haven't you? The word Hexe in German means *Witch*. The word Hex is itself derived from the Greek word for the number six.

The Ashkenazi Jew, Mayer Amschel Bauer, who, in the 18th century, changed his name to depict the red six-pointed star (or shield) and thus began the family of the "Red Shield" or Rothschild. Mayer Rothschild worked in the money changing business and was trained in banking. His business expanded rapidly following the French Revolution when Rothschild

Spiritual Warfare: The Enemy's Flag

handled payments from Britain for the hire of Hessian mercenaries. Mayer Rothschild sent his five sons to different parts of Europe in order to control the banking industry. He referred to this as his, “five arrows of banking.” Eldest son Amschel Mayer took over the Frankfurt bank and Salomon moved to Vienna. Nathan turned the London branch into one of Europe's most powerful banking institutions (N. M. Rothschild & Sons), Calmann set up a branch in Naples and Jacob opened de Rothschild Frères, becoming a giant of finance in Paris.

As mentioned earlier, The Rothschilds were instrumental in raising up the Zionist Movement in 1896, in funding its activities, and then forcing the occultist leaders of Israel in 1948 to adopt the hexagram as their national symbol.

In previous articles, we discussed the Eastern European Jews who immigrated to America and with lightning speed, conquered the newspapers, magazines, publishing businesses, radio, music industry and created Hollywood.

Mayer Rothschild did the same with his “five arrows of banking.” He pulled back the bow string and loosed 5 arrows intended on piercing the hearts of the white Anglo-Saxon and their European kindred. This was done on purpose. These were Satan's soldiers marching into foreign lands to wage their war on God's people.

A quote at the beginning of this article read, “**flags are a tangible manifestation of the beliefs and spirit of a group of people.**” If this is so, what are the beliefs of the modern Jewish State, those who came before them and the Judeo-Christian Church?

- Moloch, Chiun and Remphan are pagan gods who are worshiped by sacrificing children.
- Jews love abortion and Jewish lawyers from organizations like Planned Parenthood fight relentlessly to make abortion the law of the land in America.
- Jewish politicians hold abortion to be a sacrament to be protected at all cost.

Spiritual Warfare: The Enemy's Flag

- Judeo-Christian churches remain silent on the topic of abortion and by doing so take part in the sacrifice of innocent children to the enemy's pagan gods.
- The six-pointed star is brazenly a representation of the occult and witchcraft.

For more than six decades, Hollywood and the music industry have worked overtime to indoctrinate the American people with images and sounds that invoke demons and Satan which has opened the occult to generations of Americans.

The modern Jewish state is known for its open acceptance of homosexuals and Tel-Aviv is considered to be the homosexual capital of the middle-east.

Every facet of media has worked in concert to promote the abomination of homosexuality. This has been done in order to destroy God's natural design and to delude the minds of our people into believing the enemy's lies.

Just like when Mayer Rothschild built his fortune on being the banker of the Hessian mercenaries, Jewish bankers have fomented war after war after war in order to claim the prosperity of our people. Doubly, this same act has caused far too many a true Israelite's body to lay dead on a Jewish bankers battlefield.

The true Israelite people are admonished never to participate in these practices much less take them as the symbol of their nation. However, it is clear that our enemy has chosen this symbol to represent their beliefs before the world.

The enemy chose to put Moloch's star on his flag so there would be no confusion on the battlefield. So that in the fog of war, those that follow the enemy know which flag to rally behind.

The Synagogue of Satan, the Judeo-Christian church and their minions rally around the anti-Christ flag of the enemy. They are about their father's business. They promote homosexuality, abortion; the battlefield sacrifice of our young men....the list just goes on.

Spiritual Warfare: The Enemy's Flag

The enemy wants us to remain ignorant to who we are. He wants our ancestry to be wiped from the world's history's books and our very names forgotten for all time. His plan is for Christ's lost sheep to vanish from God's creation.....

But we have not vanished. There are those who have eyes to see and ears to hear. There are those who hunger for real Biblical truth. There are those who are **not afraid** of the enemy and the weapons he forms against us.

There is Scriptures for America and there is a remnant...Now, is the time for the remnant to awaken. Israel must remember the covenant, reclaim their inheritance, and band together and fight!

THE STOLEN BIRTHRIGHT

THE STOLEN BIRTHRIGHT AND THE COMING DESTRUCTION

(A Report on the New Age Movement and the Birthright)

1986 was the year designated by the United Nations as the International Year of PEACE. Various man-made attempts and gestures toward world peace and unity were made in 1986 including the Pope's "Day of Peace." However, the largest and most significant event was the WORLD PEACE EVENT (also called in some areas THE WORLD INSTANT OF COOPERATION) that was observed world-wide on December 31, 1986. This world peace event was to be observed by 50 million people. I contacted the Human Unity Institute, a general coordination organization for the event and spoke with its president in San Clemente, California. I was told more than 50 million observed the event. The purpose of the event was to pursue PEACE, HARMONY, UNITY AND COOPERATION of man with an emphasis on uniting the world.

We believe this is a warning sign for what the Bible calls "The Day of the Lord" as described in 1 Thessalonians 5:2-3, "For you yourselves know full well that the day of the Lord will come just like a thief in the night. (vs 3) While they are saying, "Peace and safety!" then destruction will come upon them suddenly like birth pangs upon a woman with child; and they shall not escape." (NASV) It should be noted that the footnotes of some translations acknowledge an alternate translation possibility for verse 3 to read, "sudden destruction is at hand." The destruction that comes with the day of the Lord is not the end of the world rather the end of an age. (For this subject we recommend CD #181, "New Heavens and New Earth").

Many Christian groups are pointing to this passage in 1 Thessalonians 5:3 as they observe the New Age Movement toward globalism or one-world government but do not understand who the "THEY" are that are crying "peace and safety,"

THE STOLEN BIRTHRIGHT

nor do they understand "WHAT" God intends to destroy with sudden destruction. The purpose of this writing is to give that understanding.

First it stands to reason that the people (and their project) that are targeted for destruction obviously are in opposition to God and His people. In other words, they are anti-Christ and enemies of God and of His people. This is a significant point as we try to determine who "THEY" are today, for the Bible teaches the enemies of God usually appear outwardly to be innocent and righteous. Jesus warned of wolves who would be in sheep's clothing and accused the anti-Christ Pharisees of appearing outwardly righteous while inwardly rotten (Matthew 23:27).

2 Corinthians 11:13-14 states, (vs 13) "For such men are false apostles, deceitful workers, disguising themselves as apostles of Christ. (vs 14) And no wonder, for even Satan disguises himself as an angel of light."

In trying to determine the "THEY" of 1 Thessalonians 5:3 we must consider "WHAT" is to be destroyed. It compares the destruction with that of a woman having pain in childbirth. With some investigations one finds in the Old Testament similar prophesies.

In Malachi chapter one we read of a future event where God would destroy or tear down. (vs 1) "The oracle of the word of the Lord to Israel through Malachi. " (vs 2) 'I have loved you," says the Lord. But you say, "How hast thou loved us-?" "Was not Esau Jacob's brother?" declares the Lord. "Yet I have loved Jacob; (vs 3) but I have hated Esau, and I have made his mountains a desolation, and appointed his inheritance for the jackals of the wilderness." (vs 4) Though Edom says, "We have been beaten down, but we will return and build up the ruins," thus says the Lord of hosts, "They may build, but I will tear down; and men will call them the wicked territory, and the people toward whom the Lord is indignant forever." (NASV)

THE STOLEN BIRTHRIGHT

In analyzing this passage of scripture it appears that a people called Edom were rebuilding a structure (or system) that had existed before.

They were building on the ruins or on something that had been destroyed before, but God promises to "tear down" (or destroy). If God is going to tear down this second effort, then one could assume it was He who tore down the first effort or project. Also, if this prophesied destruction is the same as that described in 1 Thessalonians 5:3, then the first building may have had something to do with PEACE, COOPERATION AND UNITY of man as does the New Age Movement of today.

Armed with these clues we can dig further into Bible history to see if God ever previously destroyed such an effort by man. In Genesis chapter 11, verses 4-9, we find the building of a city called BABEL (vs 4) "And they said, "Come, let us build for ourselves a city, and a tower whose top will reach into heaven, and let us make for ourselves a name; lest we be scattered abroad over the face of the whole earth. " (vs 5) And the Lord came down to see the city and the tower which the sons of men had built. (vs 6) And the Lord said, "Behold, they are one people, and they all have the same language. And this is what they began to do, and now nothing which they purpose to do will be impossible for them." (vs 7) "Come, let Us go down and there confuse their language, that they may not understand one another's speech." (vs 8) So the Lord scattered them abroad from there over the face of the whole earth; and they stopped building the city. (vs 9) Therefore its name was called Babel, because there the Lord confused the language of the whole earth; and from there the Lord scattered them abroad over the face of the whole earth. "

These verses reveal a united cooperative man-made effort equivalent to Globalism. The people had become "ONE" and had achieved what modern day New-Agers call, "the human potential and power to change the world." God recognized that so united---"nothing which they purpose to do will

THE STOLEN BIRTHRIGHT

be impossible for them." The city was Babel or "BABYLON" as the Hebrew word is, the same word usually translated Babylon.

The ancient Book of Jasher describes the building of the city and its tower and notes that life was considered very cheap. Jasher chapter 9, verse 28, states, "and if a brick should fall from their hands and get broken, they would all weep over it, and if a man fell and died none of them would look at him."

The Edom people of Malachi chapter one were rebuilding that city and the Bible teaches Babylon would exist in the last days. Revelation 17 verses 1 and 5 describe it. (vs 1) "And one of the seven angels who had the seven bowls came and spoke with me," saying, "Come here, I shall show you the judgement of the great harlot who sits of many waters, (vs 5) and upon her forehead a name was written, a mystery, **BABYLON THE GREAT, THE MOTHER OF HARLOTS AND OF THE ABOMINATIONS OF THE EARTH.**"

Verse 15 reveals that Babylon was a world-wide or "global" movement, engulfing many nations, people (races) and languages. (vs 15) "And he said to men, 'The waters which you saw where the harlot sits, are peoples and multitudes and nations and tongues.'" Revelation 17:18 calls the Babylon whore "that great city" and again shows it to be a world-wide movement when it says it "reigneth over the kings of the earth". (vs 18) "And the woman whom you saw is the great city, which reigns over the kings of the earth."

Revelation chapter eighteen, verses 11 thru 13, lists the order of priority in the system called Babylon, and you will note that at the top was gold and at the bottom was human lives. At this point we should stop and consider Babel with the Communist movement, which desires one-world government,

THE STOLEN BIRTHRIGHT

and the New Age Movement that promoted the World Peace event on December 31, 1986, and desires Globalism.

The New Age Movement has been

described as a worldwide network of cooperating organizations and individuals including the United Nations. The major goal of the movement is to bring about a new world order called Globalism, where there will be a universal economic system, a universal I.D. system, a universal food authority, a universal draft and a total redistribution of wealth. It is maintained that to achieve a United World Utopia it may be necessary for up to half the world's population to be removed by the year 2000 (maybe there's a reason the present system is encouraging the spread of AIDS). Religiously the plan is to have a universal religion tying in all religions while focusing heavily on the Eastern philosophies and maintaining man can become as God by developing the god within you, (humanism).

Such goals and ambitions parallel that of the murdering, godless one-world movement called communism. Communists also want redistribution of wealth, world unity and world peace. To a communist, world peace exists after the elimination of all opposition, and they consider life so cheap as to sacrifice as many as needed to obtain their goals. A communist's goal is also world utopia.

THE STOLEN BIRTHRIGHT

The movement toward a one-world government today is the rebuilding of Babylon by Edom. God destroyed ancient Babel in Genesis 11 and promised in such scripture as Malachi and Thessalonians to destroy it again. This destruction is described by the prophets Isaiah (Isa 13 and 14) and Jeremiah (Jer 50 and 51). Jeremiah chapter 50 describes the emblems of Babylon as the Hammer and Sickle, the exact emblems of Red Communism. Revelation chapter 18 describes the destruction or fall of the city of Babylon prior to the establishment of another city called the New Jerusalem.

When God destroyed ancient Babylon, shortly thereafter a man called of God was born. His name was Abram, changed to Abraham (Genesis 11:26). He was a great man of faith whose seed was to be a covenant people, destined to form a multitude of nations (Genesis 17:1-6) and he was looking for a "City" built not by man, but by God. Hebrews 11:10 - 'For he was looking for the city which has foundations, whose architect and builder is God.' That city is also identified in Hebrews chapter 12, verses 22 thru 28, as "the city of the Living God" and 'a Kingdom which cannot be shaken.' It is the New Jerusalem that will be on earth after Babylon is destroyed (Revelation 21).

God's people today should be desiring that city, for Hebrews 13:14 says - "But we are seeking the CITY that is to come". (NASV) The enemies of God and His people are seeking and building the City of Babylon. Those people are called Edom (Malachi 1:4) and Psalm 137 verses 7 and 8 equate Edom with Babylon, and describe them as the people who wished to destroy the city called Jerusalem, (new Jerusalem).

To understand who they are and attempt to identify them we must start with the story of Abraham.

In Malachi chapter one God equated Edom with Esau and Israel with Jacob and states he loves Jacob and hates Esau. Esau and Jacob were the descendants of Abraham.

THE STOLEN BIRTHRIGHT

Abraham had several sons, but the continuation of the unconditional covenant God made with Abraham followed his son Isaac (Genesis 17:21). Isaac fathered the twin sons, Esau and Jacob and since Esau was born first this covenant passed to him in the form of what the Bible calls the "Blessings and Birthrights". A battle for the Birthright existed between Jacob and Esau even before they were born. While they were still in their mother's womb, they struggled with each other to the point that their mother Rebecca inquired of God concerning the matter. Genesis 25:23-26 tells the story - (vs 23) "And the Lord said to her, 'Two nations are in your womb; and two peoples shall be separated from your body; and one people shall be stronger than the other; and the older shall serve the younger.' (vs 24) When her days to be delivered were fulfilled, behold, there were twins in her womb. (vs 25) Now the first came forth red, all over like a hairy garment: and they named him Esau. (26) And afterward his brother came forth with his hand holding on to Esau's heel, so his name was called Jacob; and Isaac was sixty years old when she gave birth to them." (NASV)

The Bible says Esau despised his birthright (Genesis 25:34) and teaches he sold it to Jacob for "RED" pottage. He also lost the blessings to Jacob and came to hate Jacob. Once Esau lost the birthright, he lost his access to and part in the City or Kingdom that Abraham looked forward to, and he lost the chance to father a multitude of nations. Jacob is now promised, as was Abraham, to father a multitude of nations, and his name was changed to Israel (Genesis 35:10-11).

Jacob or Israel, fathered 12 sons who fathered the twelve tribes of Israel who in turn formed a multitude of nations. These people were not for the most part called Jews and the people we call Jews today have never formed a multitude of nations. The Israel people at the time of Jesus were dispersed abroad (see John 7:35) and were the Gentiles to the West who became Christians. James wrote of them in

THE STOLEN BIRTHRIGHT

James 1:1, "James, a bond-servant of God and of the Lord Jesus Christ, to the twelve tribes who are dispersed abroad, greetings. "

Esau married a forbidden and cursed people (Genesis 9:25 and 26:34) and his descendants became known as Edom (Genesis 36:1). The Bible states in Genesis 36:8, "Esau is Edom." The word Edom means red and the Edomites (or the Reds) were always the enemies of the Israelites.

The Bible teaches that Jesus came to save His people Israel not only from their sins but from their enemies. Notice the following words of Luke 1:54, 55, 68, 71, 72, 73 - (vs 54) "He has given help to Israel His servant, In remembrance of His mercy, (vs 55) As He spoke to our fathers, To Abraham and his off- spring forever.(68) Blessed be the Lord God of Israel, for He has visited us and accomplished redemption for His people, (71) Salvation from our enemies, and from the hand of all who hate us; (72) To show mercy toward our fathers, and to remember His holy covenant (73) The oath which He swore to Abraham our father." (NASV) Verse 71 teaches God's people Israel needed saved from enemies who hated them!

Going into more prophecy concerning Babylon, one finds that it was prophesied in Micah 4 that in the last days God's people Israel would leave their CITY and go to BABYLON and need to be rescued from their enemies.

Micah 4:1 shows the time period - "And it will come about in the LAST DAYS "Micah 4:9-10 says (vs 9) "Now, why do you cry out loudly? Is there no king among you, Or has your counselor perished, that agony has gripped you like a woman in childbirth? (vs 10) Writhe and labor to give birth, Daughter of Zion, Like a woman in childbirth, For now you will go out of the city, Dwell in the field, and go to Babylon. There you will be rescued; there the Lord will redeem you from the hand of your enemies."

THE STOLEN BIRTHRIGHT

The context bears out that God's people left their city, or lost it, and that the city was the New Jerusalem of scripture.

(On this subject we recommend our tract, Awake, Awake O America.)

These people were caught up in a Babylonian system to the point they needed to be rescued from their enemies. (Note that this passage speaks of the problems being like a woman in childbirth, as does 1 Thessalonians 5:3.)

God's people Israel are today the Anglo-Saxon, Germanic, Scandinavian and kindred peoples who formed a multitude of nations and who settled America with the purpose of establishing God's Kingdom on earth. This can be proved from history, archaeology and scripture. It is not the purpose of this writing to prove that point. (For that we recommend our booklet entitled, The Greatest Discovery of The Age.)

For this writing let's attempt to identify Edom today. If they are enemies, we would expect them to be Anti-Christ. II John vs 7 says - "For many deceivers have gone out into the world, those who do not acknowledge Jesus Christ as coming in the flesh. This is the deceiver and the anti-christ." (NASV) We would expect Edom to have a deceptive nature appearing as one thing when in reality being another for Jesus taught that wolves disguise themselves as sheep.

Malachi 1:4 teaches that a time would come when men would understand they were an accursed people, thus we could safely assume that for a time people were deceived into believing just the opposite. The opposite of a

THE STOLEN BIRTHRIGHT

cursed people would be a chosen people. Malachi 1:4 reveals another clue concerning Edom - "Though Edom says, 'We have been beaten down.'" This would indicate a persecution complex. We can also deduct that Edom would be a much smaller number of people (a minority) compared with Jacob-Israel since Esau lost the covenant allowing for a multitude of people and nations. We know Edom is connected with Babylon which is a system toward one-world government whose emblems include the hammer and sickle. We would also expect Edom to be connected with RED. Above all else the enemies of God's people would be the least suspected and appear the least harmless of anyone, since evil always disguises itself with good. 2 Corinthians 11:13-14 bear out this point! (Vs 13) "For such men are false apostles, deceitful workers, disguising themselves as apostles of Christ. (vs 14) And no wonder, for even Satan disguises himself as an angel of light."

There is a movement considered by some as a culture, by others a philosophy, by others a religion, by others a race and by others a combination thereof. The people composing it are a minority, are against Jesus Christ, appearing innocent, harmless and helpless, disguising themselves and pawning themselves off as God's chosen people who have a persecution complex. Most people are so deceived by this movement that for a minister to even question it, let alone expose its teachings, is to open himself up to attacks and buzz-word labels from the media and the public. It is called "Judaism."

Christian people today speak out on other ungodly and false philosophies, religions and movements that oppose Jesus Christ but never "JUDAISM"! In fact, they will attack the Christian man who would expose by labeling him anti-semitic, Nazi, racist, etc. and will even embrace it in a new philosophy called the Judea-Christian ethic.

First of all, let us acknowledge the fact that there are many varied opinions and definitions of a Jew. Even the Jews today argue and cannot agree with what a Jew is.

THE STOLEN BIRTHRIGHT

Some say religion, some a race and others a culture. Private Jewish writings admit that the people called Jews today are not the Israelites of the Bible, that is, the descendants of Abraham, Isaac and Jacob. The 1980 Jewish Almanac states the following in the first sentence of the first paragraph of the first chapter entitled, "Identity Crisis" with the subheading entitled A BRIEF HISTORY OF THE TERMS FOR JEW. It says, "Strictly speaking it is incorrect to call an ancient Israelite a "Jew" or a contemporary Jew an "Israelite" or a "Hebrew."

The scope of this writing does not allow for a detailed study of the word Jew (for that we recommend our CD "The Most Confusing Word in Scripture" #120), but acknowledging their writings that they are not Israel, we should then investigate if they could represent in some way Edom. In doing so one finds a startling admission in the 1925 edition of the JEWISH ENCYCLOPEDIA, volume 5, page 41, stating - "EDOM IS IN MODERN JEWRY."

The late Pastor Sheldon Emry investigated this point and recorded the following in his tract entitled, "An Open Letter To Any Minister Who Teaches The Jews Are Israel." The following is from that research:

"The BIBLICA ENCYCLOPEDIA, Vol. 2, Col. 118 says that the Edomites are part of Jewry. The scientist and historian Dr. David Davidson wrote, "Indeed the Edomites later became completely absorbed in Jewry and under their aggressive intrusion the Jews became racially the medium of expression for the Edomite ideal for which Herod the Great had first given political formation. The Edomite intrusion into Judaism AT EVERY HISTORICAL POINT OF CONTACT is fully discussed in the volumes of the Cambridge Ancient History. The history of the latest phase of the intrusion, "absorption or intermarriage" is in the summary of the Encyclopedia Biblica, Volume 2, Col. 1187 (he then quotes that). Even the fact that the Edomites have at length BECOME JEWS was soon completely forgotten by the

THE STOLEN BIRTHRIGHT

exponents of Jewish tradition." (It is this "tradition" which Christian ministers have been tricked into preaching instead of the truth.)

In Harmsworth's HISTORY OF THE WORLD is a section on "The Hebrew Peoples" written by Dr. H. Winckler, Lm M. King, Dr. R.G. Brandis and H. JR. Hall. On pages 1781-4, Vol. 3, they show that, "Judaism was not evolved in Judah; it was in Babylon that Judaism first became that which it was and still is. "IN OTHER WORDS, JUDAISM, RATHER THAN BEING THE RELIGION OF ANCIENT ISRAEL, AS YOU TELL YOUR FLOCK, IS THE RELIGION OF ISRAEL'S ANCIENT, PAGAN ENEMY, BABYLON!"

Now before going further, let it be said that this writing is not condemning every Jew accusing them of being evil, it is rather addressing "Judaism" which has various definitions. In this writing, for the most part, we shall look at it as a religious and anti-Christ philosophy which victimizes some of its own innocent and unsuspecting people and can be connected to Babylon of scripture, the Communist movement and the New Age Movement.

At this point some Christian people will be confused, remembering their ministers called them God's Chosen People and never discussed the Kingdom or the City that Abraham sought. There is a Jewish document outlining world conquest that was captured at the turn of the century entitled, "The Protocols of the Learned Elders of Zion." Many prominent individuals have adamantly stated that it is a forgery. I do not know if it is. I do know that for there to be a forgery there has to be an original. One thing is certain, it has been over eighty years since the writings were made public and it appears world history has gone exactly as plotted in the Protocols. Henry Ford spent considerable money researching the Protocols and in an interview published in the New York World, February 17, 1921, he said, "The only statement I care to make about the Protocols is that they fit in with what is going on. They are sixteen years old, and they have

THE STOLEN BIRTHRIGHT

fitted the world situation up to this time. They fit it now!"

The reason we mention them is because Protocol No. 17 states the following concerning Christian religious leaders. "We have long past taken care to discredit the priesthood of the goyim, and thereby to ruin their mission on earth which in these days might still be a hindrance to us." Now for those who feel that it's preposterous to assume Jewish rabbis in seminaries would mislead, let's go to scripture.

Titus 1:14 warns not to pay attention to JEWISH fables or myths. Could it be that the Judeo-Christian ethic is a myth? Jesus warned his followers in Matthew 16:6-12 to "beware of the leaven of the Pharisees," which he explained was their teachings. Isn't it interesting that nearly all ministers coming out of seminaries teach the Jews are a chosen people. If they are the liars and deceptive antichrist's described in 1 John 2:22-23 and 2 John vs 7 then they would claim to be what they are not. Revelation 3:9 says this about someone. "Behold, I will cause those of the synagogue of Satan, who say that they are Jews, and are not, but lie, behold, I will make them to come and bow down at your feet, and to know that I have loved you."

The scope of this writing will not allow a lengthy study of Judaism, so we recommend the thoroughly researched and documented book on the subject entitled, The Plot Against

Christianity, by Elizabeth Dilling. In it are quotes from world renowned rabbis stating that Judaism is based on the Talmud which was the oral law of the Pharisees that was compiled in BABYLON. In it are exhibits of the two volume works, The Pharisees, by Rabbi Finklestein stating, "Pharisaism became Talmudism. . . but the spirit of the ancient Pharisee survives unaltered. When the Jew ... studies the TALMUD he is actually repeating the arguments

THE STOLEN BIRTHRIGHT

used in the Palestinian academies." This top Jewish rabbi also stated ... "any decision regarding the Jewish religion must be based on the Talmud." The TALMUD is a 64-volume work not made available to the goyim public which teaches any gentile who reads it should be killed. There are edited sanitized versions made available, but never the real thing. The book has photocopies of it. Rabbi Hertz's writings are in the book stating the origin of the TALMUD. "The Talmud, it's birthplace, BABYLONIA was an autonomous Jewish center ... "

Remember Jesus warned of the leaven of the Pharisee and in the Kingdom parables of Matthew 13, He stated the following in verse 33, "He spoke another parable to them; 'The Kingdom of heaven is like leaven, which a woman took, and hid in three pecks of meal, until it was all leavened'." Galatians 5, 1 Corinthians 5 and Matthew 16 bear out the leaven was symbolic of evil. Notice it was a woman who put the leaven into the dough. Could this woman be the whore called Babylon (Revelation 17)?

Mrs. Dilling's research of the Talmud reveals that it teaches. "All countries are like dough" and also says - "We have a tradition that Babel (Babylon) will not witness the suffering that will precede the coming of the Messiah."

The Talmud teaches that the Messiah is the Jewish people themselves (Sanhedrin 98b) and that - "it will be difficult to remove the Gentiles from their position without inflicting much suffering."

In summary, it may be said that the TALMUD could well be the most anti-Christ, filthiest piece of literature on the face of the earth. Jesus said of the Pharisees in Matthew 23:26 and 27, "You blind Pharisee, first clean the inside of the cup and of the dish. so that the outside of it may become clean also. (27) Woe to you, scribes and Pharisees, hypocrites! For you are like white-washed tombs which on the outside appear beautiful. but inside they are full of dead men's bones and all uncleanness."

THE STOLEN BIRTHRIGHT

Judaism may be a minority, but they certainly are not harmless and helpless. The following is a quote: "We, the Jews, are a people - one people. When we sink, we become revolutionary proletariat, the subordinate officers of a revolutionary party; when we rise, there arises also our terrible power of the purse." (Theodore Herzl - "The Jewish State" - 1896).

In America today, they have more power than any one group (order the small treatise, Who Rules America, for more on this, available from SFA). As for a persecution complex, do we not continually hear (on the Jewish controlled media in America today) of the poor persecuted Jew, of Anti-Semitism and of the six million in the Holocaust? Why do we never hear of the multiple millions of Christians killed by Communism?

Concerning communism, few realize its Jewish origin. The following are just a few of many such quotes kept from the public and are from Jewish sources:

"Some call it Marxism - I call it Judaism." (Rabbi Stephen S. Wise, "The American Bulletin," May 15, 1935)

"The Jews in Russia, in their total mass, were responsible for the Revolution." (Angelo S. Rappaport, "The Pioneers of the Russian Revolution," p. 250, London, 1918)

"There is much in the fact of Bolshevism itself, in the fact that so many Jews are Bolshevists. The ideals of Bolshevism are constant with many of the highest ideals of Judaism." ("Jewish Chronicle," London, April 4, 1919)

"It is said that Judaism is the driving force of Communism; but this does not prove anything beyond that which is expected and only natural ... Is it surprising that Judaism should become the fermenting and destructive element in

countries which have always despised and persecuted it? The peculiar facility for intrigue, stratagem, conspiracies, and that patient, almost uncanny waiting for the hour of never-failing revenge, are all characteristics of the chosen people." (Prof. F.A. Ossendowski, "The Nineteenth Century and After," p. 29; London, January 1926)

Let's go from communism to the New Age Movement of one United World. This concept is also Jewish. Note the following quote from "The Jewish World" February 9, 1883: "The great ideal of Judaism is that the whole world shall be imbued with Jewish teachings, and that in a Universal Brotherhood of nations - a greater Judaism in fact - all the separate races and religions shall disappear." - ("The Jewish World", February 9, 1883)

A more modern source can be gleaned from the writings of the renowned New Ager Barbara Marx Hubbard. She is a Jewish and influential promoter of the December 31, 1986, World Peace event. She was nominated for the Vice President of the United States at the 1984 Democratic National convention calling for a PEACE ROOM in the White House. The following quotes are portions of her unpublished manuscript which we gained access to entitled, The Book of Co-Creation, an evolutionary interpretation of the New Testament.

In reading the following quote you may wonder who the "Elders" are. I suspect it refers to the Learned Elders of Zion of the Protocols. You will also note that she speaks of Womb - remember the birth pangs the Bible speaks of: "We, the elders, have been patiently waiting until the very last moment before the quantum transformation, to take action to cut out this corrupted and corrupting element in the body of humanity.

It is like watching a cancer grow; something must be done before the whole body is destroyed.

In the past when you were gestating in the womb of Earth, the effect of the one-fourth was painful, but not deadly to the whole planetary system. Mother Earth is forgiving. You can get away with murder while still in the womb. Your power was not

THE STOLEN BIRTHRIGHT

sufficient to destroy the world.

Now, as we approach the quantum shift from creature-human to co-creative human - the human who is an inheritor of god-like powers - the destructive one-fourth must be eliminated from the social body."

The next quote shows that this New Age leader's concept of peace is similar to a communist's concept of peace. It is something that exists after they kill all the opposition:

"Fortunately you, dearly beloveds, are not responsible for this act. We are. We are in charge of God's selection process for planet Earth. He selects, we destroy. We are the riders of the pale horse, Death. We come to bring death to those who are unable to know God. We do this for the sake of the world."

The following quote should be read in light of the Kingdom parable of Matthew 13 concerning the tares and the wheat growing together until the end time when the tares would be removed from the Kingdom: "The riders of the pale horse are about to pass among you. Grim reapers, they will separate the wheat from the chaff. This is the most painful period in the history of humanity.

We will use whatever means we must to make this act of destruction as quick and painless as possible to the one-half of the world who are capable of evolving."

In the following quote notice how the birth process is mentioned and remember the sudden destruction of Babylon will be like the pains of a woman in childbirth:

"Humanity will not be able to make the transition from Earth-only to universal life until the chaff has been separated from the wheat. The great reaper must reap before we can take the quantum leap to the next phase of evolution.

No worldly peace can prevail until the self-centered members of the planetary body either change or die. That is the choice. The red horse is the destruction during the birth process of those who refuse to be born into God-centered, universal life.

THE STOLEN BIRTHRIGHT

They cannot go backward to the womb; they cannot go forward to the new heavens and new earth. They must surely die, or change.

It is a free choice. Evolution is good but it is not nice. Only the good can evolve. Only the God-centered will survive to inherit the powers of a universal species. Evolution empowers the horseman upon the red horse to kill that which cannot love God above all else and his neighbor a himself and himself as the son of God. This act is as horrible as killing a cancer cell. It must be done for the sake of the future of the whole. So be it; be prepared for the selection process which is now beginning."

It seems only fitting here to include another and older quote from another Jewish source:

"You have not begun to appreciate the depth of our guilt. We are intruders, we are subverters. We have taken your natural world, your ideals, your destiny, and played havoc with them. We have been at the bottom of not merely the latest great war, but of every other major revolution in your history. We have brought discord and confusion and frustration into your personal and public life. We are still doing it. No one can tell how long we shall go on doing it. Who knows what great and glorious destiny might have been yours if we had left you alone." (Marchs Eli Ravage, "Century Magazine," February 1928)

Remember Esau Edom always wanted back the birthright and were always the enemies of Israel. They are the rebuilders of the Babylon system which desires a United Mankind in a one-world government called globalism by the new agers. It is this Babylonian system which God's people are becoming caught up in and in need of rescue from.

In the building of the ancient city of Babel the people erected a high tower to reach into the heavens. This almost seems symbolic of the exaltation of man to become as God which was the Satanic deception found in the garden of Eden, Genesis 3:4. "You will be like God knowing good and evil ... "The new age

THE STOLEN BIRTHRIGHT

event of World Peace on December 31, 1986, had millions reciting prayer or meditation. The following quote is simply portions of that prayer. Note as you read it the emphasis on being ONE just as it was at Babel and how they exalted themselves equal to our God Jesus Christ.

"Now is the time of the new beginning. I am a co-creator with God, and it is a new Heaven that comes. As the Good will of God is expressed on Earth through me, It is the Kingdom of Light, Love, Peace and Understanding and I am doing my part to reveal its Reality. I begin with me. I am a living Soul and the Spirit of God dwells in me, as me, I and the Father are one and all that the Father has is mine. In truth, I am the Christ of God. There is total oneness and in this Oneness we speak the Word. Let the sense of separation be dissolved. Let mankind be returned to Godkind."

This exaltation of man to God status is also part of JUDAISM. The following quote comes from a letter from Baruch to the Jew Karl Marx:

"The Jewish people, taken collectively, will be its own Messiah. His reign over the universe will be obtained by the unification of the human races and through the elimination of frontiers. A Universal Republic will come into being in which the Sons of Israel will become the directing element. We know how to dominate the masses. The governments of all nations will gradually fall, through victory of the Proletariat, into the hands of Judah. All private property will become the possession of the Princes of Israel - they will own the wealth of all lands. Thus will be realized the promise of the Talmud that, when the time of the Messiah comes, the Jews will hold under their keys the property of all the peoples of the world."

Edom today seems to be a movement which normally has people with the ideals of JUDAISM, attempting to regain the birthright lost to Jacob Israel. Theirs is the goal of a one-world Babylonian government with them as the head and possessor of

THE STOLEN BIRTHRIGHT

the right to that man-made Kingdom. On the other hand, God has plans for the new heavens and new earth when the Kingdom, called New Jerusalem, is established. That Kingdom as the apostles well know belongs to Israel (Acts 1:6). The people who, as prophesied in Isaiah 42:19-24, are presently blinded to their identity and in need of their God. Edom has targeted them for destruction with the intention of dethroning their God and King Jesus Christ AND STEALING THE BIRTHRIGHT purchased by and belonging to Jacob Israel.

God destroyed before and has promised to do so again. God's people should find confidence in this fact and take comfort in the second Psalm written for their last days. "Why are the nations in an uproar, and the peoples devising a vain thing? (vs 2) The Kings of the earth take their stand, and the rulers take counsel together against the Lord and against His Anointed: (vs 3) Let us tear their fetters apart, and cast away their cords from us!" (vs 4) He who sits in the heavens laughs, the Lord scoffs at them. (vs 5) Then He will speak to them in His anger and terrify them in His Fury: (vs 6) But as for Me, I have installed My King Upon Zion, My holy mountain. (vs 7) I will surely tell of the decree of the Lord: He said to Me, Thou art My Son, Today I have begotten Thee. (vs 8) Ask of Me, and I will surely give the nations as Thy inheritance, and the very ends of the earth as Thy possession. (vs 9) Thou shalt break them with a rod of iron, thou shalt shatter them like earthenware. (vs 10) Now therefore, o kings, show discernment, 'take warning, o judges of the earth." Psalm 2:1-10 **Amen and Amen!!!!**

THE STOLEN BIRTHRIGHT AND THE COMING DESTRUCTION

by Pastor Pete Peters

April 19, 1775
“The Shot Heard ‘Round the World”

Two hundred and fifty years ago this month, a group of about 77 farmers, shop keepers and tradesmen from Massachusetts faced off in battle against 700 of the best trained soldiers of the most feared military of the time. The soldiers were acting under the specific orders of a tyrannical government. Those orders were to disarm the citizens of their guns and ammunition.

No one knows who fired the first shot, but 8 citizens were killed and 9 wounded by the soldiers that morning. The citizens dispersed and the soldiers marched to a neighboring town where they spent about four hours disarming the local population. Upon their return to the site of the earlier battle, the military was met by approximately 2000 armed patriots who had rallied together after the initial battle. The military quickly retreated resulting in an 18-mile running skirmish. The patriots’ numbers swelled to over 3000 by the end of the retreat.

The brave stand of those citizen patriots that morning gave birth to our country.

Our nation was founded as a Constitutional Republic with the United States Constitution being our “supreme law of the land.” It is the role of a legitimate government to protect the rights of our citizens which are enshrined in the Constitution. These are rights given to us by our creator not granted to us by a government.

The 77 farmers, shop keepers and tradesmen from Massachusetts understood that an out-of-control government cannot take away those rights. The nearly 3000 patriots who rushed to arms that morning understood as well.

They understood it to the point that they willingly picked a fight with the largest government with the most feared military on the planet.

As American patriots, we know the legitimate role of government is to defend and safeguard the rights of our citizens.

On this 250th Anniversary of Lexington and Concord, I ask you these two questions...

***Would you have joined those 77 men that day?
Are you ready to join them if it happens again?***
