Greetings to the Remnant!

America's Battle Cry: No King but King Jesus

They cried out, '*We have no king but Caesar!*'

John 19:15

But we cry out — **NO KING BUT KING JESUS!**

Dear Brothers and Sisters in Christ,

As the tide of tyranny rises and darkness seems to grow bold in our land, we are reminded of the sacred cry that once stirred the hearts of early American patriots and faithful believers alike:

"No King but King Jesus!"

This was more than a slogan — it was a declaration of spiritual defiance against the unjust rule of man and a bold proclamation of allegiance to the only true Sovereign. In a time when earthly kings demanded loyalty and control, our Christian forefathers bowed only to the Lord of Lords. They understood that liberty—true liberty—comes not from governments, not from constitutions alone, but from Christ Himself.

Now the Lord is the Spirit, and where the Spirit of the Lord is, there is liberty.

2 Corinthians 3:17 NASB

A Nation Born in Prayer and Faith

The foundations of this great country were laid by men and women who feared God more than kings. The Pilgrims, in the Mayflower Compact of 1620, covenanted together *for the Glory of God and advancement of the Christian Faith*. These weren't merely colonists—they were missionaries. They believed that coming to America was prophecy being fulfilled the prophecy found in 2 Samuel 7:10.

I will also appoint a place for My people Israel and will plant them, that they may live in their own place and not be disturbed again, nor will the wicked afflict them any more as formerly.

From the Editor @ SFA

When the battle cries of 1776 rang out, they weren't fighting for wealth or ease—they were fighting for the right to worship God freely, raise their families righteously, and reject the crown of tyranny. Preachers of the Black Robed Regiment took to the pulpits and proclaimed the truth: *There is no king but King Jesus!*

What About Today?

Today, we face a new tyranny — not from a foreign crown, but from within. Our children are taught to forget God. Our freedoms are traded for security. Our pulpits have grown silent on sin, and our leaders bow to globalism, corruption, and wickedness. But we, the remnant, **must rise**.

Blessed is the nation whose God is the Lord, The people whom He has chosen for His own inheritance. **Psalms 33:12 NASB**

We cannot serve two masters. We cannot have two kings. We must reclaim the battle cry that once shook the gates of hell and inspired a revolution of righteousness: **“No King but King Jesus!”**

A Call to the Remnant

Let us remember that **we are not powerless**. We are the salt of the earth, the light of the world, and the ambassadors of a coming Kingdom. We may be mocked, censored, or even persecuted, but **we will not bow** to this world's idols. We will not kneel to Caesar when Christ is on the throne.

So rise up, Christian patriot. Preach the Word. Train your children. Speak truth. Love deeply. Pray boldly. Stand firm in faith. Because our King is not up for re-election. He was crowned before the foundation of the world. And **He is coming soon**.

No King but King Jesus! Let this be our cry. Let this be our stand. Let this be our banner until He comes again in glory.

Fight the good fight of faith; take hold of the eternal life to which you were called... **1 Timothy 6:12 NASB**

Know Your Heritage: The Faith of Our Founding Fathers

Moreover I will appoint a place for my people Israel, and will plant them, that they may dwell in a place of their own, and move no more; neither shall the children of wickedness afflict them anymore, as beforetime... 2 Samuel 7:10

On March 4, 1629, The Massachusetts Bay Company was granted a charter from King Charles I. Although the financial backers of this venture were most interested in exploring the vast resources of the “New World” and setting up new trade, the men who were leading the charge of this great adventure were most interested in establishing a state in which the Puritan church could be free from all outside influence and interference, with King Charles being the chief culprit. In short, these bold Anglo-Saxon men and women were seeking liberty. Like a moth to a flame, they were drawn to what would become America.

On August 26, 1629, a dozen shareholders from Lincolnshire, England, including John Winthrop, signed a contract to inhabit and develop New England given they would be allowed to govern the new land themselves from Massachusetts.

John Winthrop was made governor of the new colony and went about raising an enormous fleet of ships and supplies to set sail for the new land. In April 1630, Winthrop and his group of Puritans were ready to set sail for America. The Reverend John Cotton delivered a farewell sermon to the Puritans. The title of the sermon was, “God’s Promise to His

Know Your Heritage

Plantation.” The now famous sermon centered on the theme of the Puritan’s divine right to occupy the land. The sermon cast America as the New Jerusalem for the Lord’s chosen people, Israel.

The sermon began with **2 Samuel 7:10** as the chief text, comparing the soon taking of the land of America by the Anglo-Saxons to the land of Canaan being taken by their Israelite forefathers. Included was the understanding of the likely necessity of casting out the enemies of God through warfare.

America’s origins were built upon the bedrock of understanding Israel’s destiny. Our people were set apart in order to build the New Jerusalem so that a multitude of nations could be gathered into one place. We would be planted and move no more.

The generations of “New Americans” which came after the Puritans knew their identity and their destiny. It was not a mystery. In fact, it was preached from almost every colonial pulpit. The stout-hearted men who settled America knew they were Israel and were willing to fight floods, fires, famine, the Indians, the French and ultimately the British. The almighty hand of God had planted them and they would not be uprooted.

At the beginning of this month’s newsletter, Jason referenced “The Black Robe Regiment” in his letter from the editor. It is important for us to understand the role the colonial minister played in our ancestors taking up arms

against the British. The colonial pulpit was the bellows that fanned the flame of freedom amongst Americans.

The ministers knew this land was a gift from divine providence and they were not about to stand by to see a tyrant overtake it.

“Watchmen upon the walls must not hold their peace, they must cry and not spare, must reprove what is amiss, and warn when danger is approaching.”

Reverend Moses Parson address to the Massachusetts Council and House of Representatives, 1772

They knew their job and they did it.

This month we celebrate the 249th birthday of the nation that was born in a day. No doubt there will be fireworks, cold watermelon and plenty of barbecues. **In the midst of all the festivities, make time to reflect on the faith of our founding fathers.**

We are 12 months away from the 250th anniversary of the founding of America. I personally plan on spending the next year focusing on being a better husband, a better father, a better neighbor, a stronger Christian, a louder patriot and a more vocal Israelite. After all, maybe America is in the shape its in because we forgot we were supposed to be Watchmen on the Walls.

This is the first entry of a new series called, “Know Your Heritage.” This series will profile the courage and heroism of our people and God’s provision and everlasting protection.

“No King but King Jesus: The Cowboy’s Creed”

Dedicated to my heroes: Peter, Rich, Earl and Col. Jack.

Out where the prairie meets the sky,
And the eagle dares to fly up high,
A cowboy bows his weathered head,
And thanks the Lord for daily bread.
With boots worn thin from trails he’s rode,
He lifts the cross, not just the load.
His flag waves high — red, white, and blue,
But Christ’s own banner waves there too.
He rides for freedom, rides for right,
Defends the truth with all his might.
He ain’t ashamed to kneel and pray, While cattle low and children play.
He knows this land was bought with blood,
Through valleys deep and judgment’s flood.
From Calvary’s hill to Bunker Hill,
The price was paid, and he stands still.
No king but Christ rules in his soul,
No tyrant takes what God made whole.
He’ll hold the line — bold, brave, and true,
Like patriots of seventy-two and seventy-six
The Bible’s worn, the leather cracked,
But every word he’s ever backed.
He lives by grace and rides by grit, Where Spirit, Truth, and duty sit.
He sees this land from shore to shore, As blessed by God forevermore.
And with his brothers strong and free, He shouts in faith and victory:
This is the land, and we are the people, One nation still under God.
Thankful that we are the covenant people,
Called to stand firm ‘neath cross
God please Bless your people.
This is the new JerUSAlem —
God’s light still shines through freedom’s gem.
His covenant we still defend, With cowboy courage to the end.
So tip your hat and raise your eyes,
To western trails and freedom’s skies.
For cowboy hearts and Christian men
Will ride ‘til Christ returns again.
And when he rides through heaven’s gate,
Where saints and angels congregate,
You’ll hear him shout with holy trust,
“No King but King Jesus!”

STUDY IN DANIEL

Until Howard Rand, no writer has been able to penetrate the intricate mysteries of Daniel's Visions...

When Daniel received the revelations, the Angel informed him that the book was to be kept "shut as a secret" until the crisis at the end of the age. Now, for the first time, the key that unlocks the secrets sealed in Daniel's records is found.

Hosea depicts the national demise of the House of Israel in terms of burial in the graveyard of Assyrian Captivity...Nevertheless, under the inspiration of the Holy Spirit, the prophet looked forward to the day when they would be ransomed from the grave and live again in God's sight.

Author Howard Rand explicates how the prophet provides a more comprehensive understanding of why God allowed Israel to be carried captive into Assyria than may be found anywhere else in the Scriptures.

Occupy Until Christ Returns

We have seen a system of moral values, which has been inserted into our public education system, based on Dewey's atheistic ideas. This is a system which depends solely on the individuals interpretation of what is "right" or "wrong." There are no "absolutes," there is no "black" and "white," only shades of "grey" which change as the situation changes. This has become known as "situation ethics." It is the thing which has sponsored such popular declarations as: "If it makes you feel good, do it!" Or "You only go around once in life, so live with gusto!"

At Ohio State University, a few years ago, on the "abortion issue," during the Question and Answer period, a lovely young co-ed asked the question: "If we are not allowed to have abortions, how will we control the population explosion?" When it was asked of her if she had ever heard about something called "self-control," you would have thought from the reaction of the audience, that she had been slapped her in the face!

Here was an audience of several hundred young people, who were about to go out into life on their own, yet they had never been taught that they had the right to choose between "good" and "evil." Instead, they had been taught that they were completely controlled by their environment. (Later it was discovered that this young woman, who saw nothing wrong in the murder of two million unborn babies a year, was head of a university organization that was trying to protect baby seals in Newfoundland. This is how modern education turns our young people into mindless hypocrites.)

Under the Dewey concept of morality, there is no such thing as the "sanctity of human life," for after all, what does it matter, if we are only "graduate animals"?

This reminds me of a poem I heard somewhere, titled THE MONKEY'S VIEWPOINT:

*"Three monkeys sat in a coconut tree, discussing things
as they're said to be. Said one to the others,
'now listen, you two; there's a certain rumor
that can't be true, that man descended from our noble race -*

Why the very idea is a sad disgrace!

*"No monkey ever deserted his wife, Starved her babies,
and ruined her life, And you've never known a mother monk
To leave her babies with others to bunk, Or pass them on*

Occupy Until Christ Returns

*from one to another, 'till they scarcely know who is their mother.
And another thing, you'll never see -A monk build a fence
round his coconut tree, And let the coconuts go to waste,
Forbidding all other monks a taste; Why, if I'd put a fence
around the tree, Starvation would force you to steal from me.
Here's another thing, a monk won't do -
Go out at night and get on a stew, Or use a gun, or club, or knife,
To take some other monkey's life,
Yes, man descended, the ornery cuss!
But brother, he didn't come from us!*

There's more truth than poetry in that!

It took the "elitists," (a person who believes himself to be the best; hence an "egotist") of John Dewey's days, over two generations to "stack" the U.S. Supreme Court with their own people, who were so far to the "left" that in the 1960's decisions were made which took the Bible and prayer out of our public schools, and the education debacle began! It has been "down-hill" ever since, as the foundational strength of America, as found in the Holy Bible, was erased from our education system.

Among the early generations which followed the Revolutionary War, it was the foundation piece of our education system. Now, suddenly, the Federal Government, through its Judicial Branch as represented in the Supreme Court, has taken away our very basis of morality and the "rule of thumb" in education, as in government has become "The lie is the truth; while the truth has become a lie!"

Knowledgeable Americans know that the "evolutionary theory" is just that, an unproven "theory" which has become one of the greatest hoaxes of all time. Modern science has proven beyond the shadow of a doubt that evolution, as taught in our education system, is false, the National Geographic Magazine notwithstanding! It is a "theory" spawned in the depths of hell for the destruction of Christian Civilization!

Since Christianity began in the First Century A.O., there have been atheists, agnostics, and skeptics, people who rejected the concept of a Supreme Being!

Years ago, on a TV program, Sir Julian Huxley, a high-ranking communist working for the United Nations, in an interview, said: "The establishment of the fact that a Supreme Being exists, hamstring the ability of the elitists to perform their desired sexual perversions."

Occupy Until Christ Returns

The very foundation of atheism, even before the advent of the "evolutionary theory", was the desire of men to have no restrictions placed on their sexual desires.

The Apostle Paul recognized this in Romans 1:21-22 when he wrote: "Because when they knew God, they glorified Him not as God, neither were thankful; but became vain in their imaginations, and their foolish heart was darkened. Professing themselves to be wise, they became fools." Then in vs. 24, he continues: "Wherefore (because of this), God gave them up unto uncleanness through the lusts of their own hearts, to dishonor their own bodies between themselves." (The basis for sodomy).

In other words, when these filthy, vile, debased humans desire sex with women, animals, children, or others of the same sex, they wanted a system which would not condemn their perversions. They have it now, where even the President of the United States condones their filthy behavior, and many in the church sanction it!

Our Lord often warned the people about "hell" and eternal punishment! He set up His form of perfect government in which He was the Mediator. These instructions were given to His Israel people at Sinai, through their leader, Moses. The elite people repudiated this form of Divine Government in 1 Samuel 8:5, when they demanded to be like all the nations around them and have a king. God told Samuel, in vs. 5: "... they rejected thee, but they have rejected Me, that I should be over them."

When Israel came out of their forty years of wandering in the Wilderness of Sinai, God instructed them to deal harshly with the pagan people, the Canaanites, who practiced many of the same abominations we see taking place in America today. All our forefathers had to do in Order to possess the land was BELIEVE AND OBEY! When they followed this theory, God blessed them and when they disobeyed, they felt His wrath (See Deuteronomy 28).

Individual rebels and law-breakers were dealt with harshly under this government, which kept evil from spreading in the land.

The same blessings and curses which applied to Old Israel apply to modern Israel America today, and can be clearly delineated

Occupy Until Christ Returns

in a study of Deuteronomy 28. As America obeyed God, He showered us with blessings above and beyond what any people had ever seen. But when we became apathetic to our responsibilities, and allowed evil men to take control, we have entered a cycle of cursing.

Over and over during the days of our Israel forefathers in Canaan land, 1400 years B.C. we read: "And Israel did evil in the sight of the Lord, and the Lord SOLD them into the hands of their enemy." Is this what it will take to bring America God? I pray not, for it is a very painful, humiliating process!

True Israel has always enjoyed to protection of God when she was in OBEDIENCE, and suffered when she disobeyed. The history of both Great Britain and the United States attest to this! When we were under God's control we were at rest and prosperous and when we disobeyed, we suffered the chaos, agony and often death, which now stalks the land!

The Israelite economic system was built on the principle we could rightfully call "Christian capitalism." "Capitalism" being an economic system built around private ownership of production and distribution, and operated for profit. It usually operates under a competitive principle. It becomes a healthy economic system when it is operated under Israelite (Christian) law. One being that we MUST never charge usury to our own people.

Some Israelites were fishermen, some made boats, some built houses, some raised sheep and oxen; others were farmers; some made clothing, and on and on. In the early days of our American Israelite nation, this caused us to be an energetic people, who were well-aware of our stewardship to God.

Then a change took place. As it did in education, so the enemy crept into our economic system, and in 1913, our Congress abrogated it's duty to the American people to coin and print our own money, and turned it over to the unscrupulous hands of International Jewish bankers, in what has become known as the FEDERAL RESERVE SYSTEM. This system, which was never Federal, is now made up of eight private banks, mostly foreign (Jewish owned), and

Occupy Until Christ Returns

since 1913, trillions of dollars of God's money, which should have been used in making America a better place to live, has gone instead, into the coffers of the International Jewish leeches, making them the wealthiest and most powerful men in the world. For under the Babylonian Economic System, which governs the world, wealth means power, and as someone has said: "Power corrupts, and absolute power corrupts absolutely!"

Today, American school children are taught that Christian Capitalism, the system, that under God, made America great, is inherently evil. So thoroughly have the enemy been in their education, that our youth look on our God-given system of enterprise as something to be avoided at all costs!

The idea that God has given each of us certain inherent gift and talents, and expects us to use them wisely, is sneered at a "racist." The Parable of Jesus in Matthew 25, where He told about the king who went away into a far country and gave three men amounts of money commensurate with their abilities, is looked on as "capitalist evil." When He returned and promoted two who had doubled their funds through wise trading, while condemning the man who hid his talent in the ground. He is condemned as being a "racist." Yet this story by Jesus illustrates a Divine Law, which is as solid as the "Law of Gravity" or the "Law of Harvest" which says: "Whatsoever a man (woman) sow, that shall they also reap." (Galatians 6:7). Men and women may not like these laws, but there is nothing they can do to stop them.

The only other economic system which the world has known is the Babylonian System, now known as "Socialism." It has always been a "first cousin" to Communism, and no matter how you "dress it up" it still contains the poison of Communism and can never work,

since it is opposed to the Laws of God. (This includes National Socialism, which unfortunately, some in Identity advocate, and which was the system that nearly destroyed Germany during World War II).

We know that God cannot be the author of either "Communism" or "Socialism,"

Occupy Until Christ Returns

because of the evil they have brought to the economic world in this century. (While National Socialism brought momentary relief and power to Nazi Germany, in the end it came close to destroying her).

Since our King is the "author of life," the only good government system will be the one which sanctifies life. This is why Christian Capitalism, exemplified as "freedom," has always been under attack by atheists and antichrists. It is when these evil men gain control, as they have of Christendom in the latter part of this century, as Christians have "gone to sleep at the helm of the Ship of State," that chaos results. This principle was recognized by Edmund Burke, the Great British philosopher who wrote; "All that is necessary for evil to succeed, is for good men (women) to do nothing!" This more or less is what has happened in the nations of Christendom, as White Christians in particular, have abrogated their responsibilities to God and their fellowmen. In large, it has happened because White Christians have not been taught their heritage or their responsibility.

How many of you have ever heard a Judea-Christian pastor preach on Isaiah 51:1,2: - "Hearken unto me, ye that follow after righteousness (Christians), ye that seek the Lord: look unto the rock whence ye are hewn, and to the hole of the pit whence ye are digged. Look unto Abraham your father, and unto Sarah that bare you: for I (God) called him alone, and blessed him, and increased him." (See Amos 3:2). Instead of holding this truth up to our people, and encouraging them to fulfill their responsibilities, our "brain-washed" pastors have attributed this verse to Christ's worst enemies, those who openly say they will destroy White Christian Civilization.

My dear Christian friend, we will not lose our freedom at 3 a.m. some morning when our door is kicked down by some men with red stars on their caps, and tommy guns in their arms who haul us away to a Concentration Camp. ***We will lose our freedom when we***

You only have I known of all
the families of the earth;
therefore I will punish you for
all your iniquities.
Amos 3, 2

Occupy Until Christ Returns

see things happening in our local government, our local school system, our local church which we know are wrong, and we sit back complacently and say: "Well, I'm only an individual, you know, and everyone knows you can't buck City Hall!"

When enough Christians feel like that, we will take FREEDOM to the cemetery, bury her and over the grave erect a headstone with this epitaph: HERE LIES AMERICA'S FREEDOM; SHE DIED OF NEGLECT; BECAUSE CHRISTIANS DIDN'T WANT TO BE BOTHERED!

I love baseball and am an ardent fan, but it bothers me terribly to see the lack of perspective shown by our American people. What happens when our people watch a National Sports game, and their team wins? The reaction of the crowds do justice to any heathen celebration ever seen in the heart of darkest Africa, as White adults shout and scream, and dignified men and

women act like absolute fools.

I wondered how many from the crowds of over 50,000, would even bother to attend a meeting designed to get America turned around and headed in the right direction? I could close my eyes, and see, instead of ballplayers on that field, Christians in ancient Rome, being torn apart by lions. And I thought of the Protocol which said: "get the people interested in sports; get their minds off the important issues!"

From at least the beginning of the Twentieth Century, White Christians in particular have been remiss in maintenance of our Christian belief. Some tried, but failed, or were discouraged because most of us who dare to call ourselves Christian, preferred to remain in our "spiritual foxholes," out of harm's way, while the battle for "truth" and "freedom" was fought by braver men and women.

The EVOLUTIONARY SYSTEM provided the opening through which the "demons of hell" escaped to pervert America. Most, if not all these "demons" are the two-legged variety. You know the names of many of them!

Occupy Until Christ Returns

Following the building of their evolutionary foundation, the nation's perverters began to produce and make respectable, other abominations: pornography; abortion on demand; adultery; miscegenation; dope; alcohol, rock music, and perverted entertainment. All coming primarily from the same source!

Along with these abominations, we saw the decline of the American family, to a pitiful caricature of what it was fifty years ago. The father, often being held up in caricature as a weak, stupid individual who cannot make decisions for himself or his family.

Sodomy has been normalized in our society, until today we see them being welcomed in the White House, by our President, while the doors of many churches have been thrown open to them, even to allowing some of them to become pastors. They completely ignore the warnings of men such as the Apostle Paul, who in Romans 1:32 said: "Who knowing the judgment of God, that they which commit such things (sodomy), are worthy of death, not only do the same, but have pleasure in them that do them."

These perverts are often protected by the so-called Christian church!

Where are the WATCHMEN in America, one might ask? There are a few, but when they sound the alarm, they are attacked and "pounded into the turf," not only by the enemy, but by those who call themselves Christian. The "watchman" is called an "oddball," a "racialist," a "Right Wing Extremist," or worst of all, an "antisemitic hate monger!"

The most horrendous consequence of the last fifty years of Federal Government sponsored "Secular Humanist Socialism" is that we now lead the world in crime, which has caused us to build the largest "gulag" system in the world, surpassing that of Communist China or Russia, and we seem unable to stop the reeling, drunken, dope addicted sex maniac we now call America, from stumbling into the quicksand's of destruction!

A little historical and scriptural study will convince any honest person that the King has re-gathered a large portion of His Israel people in Canada and the United States. (I'm speaking now of the Anglo-Saxon, Celtic, Scandinavian, Germanic, and other related peoples who are the only people in the world, who bear the scriptural "fingerprints," "true Israel was to have in the closing out days of this Age.

Occupy Until Christ Returns

In spite of what denominational Bible scholars say to the contrary, these White nations are the only ones in the world who fit this scriptural description. The people we now know as Jews, do not fit a single one.

(In spite of what men like Baptist Evangelist Jack Van Impe, a first-class Christian-Zionist, says to the contrary).

In Amos 3:2, we listen as God speaks to His "true Israel." "You only have I known of all the families of the earth; therefore will I punish you for your iniquities (sins)." This idea is confirmed in Hebrews 12:6, where the New Testament writer tells us: "For whom the Lord loveth, He chasteneth, and scourgeth every son whom He receiveth." In Deuteronomy 8:5, God told His Israel people: "... as a man chasteneth his son, so the Lord thy God chasteneth thee (Israel). (He was not speaking to Jews!)

No other people outside those of Christendom have received God's Laws and made them the basis of their governments. No other people have openly accepted the teachings of the King. (A vast majority of our White population will call themselves Christian, if a survey is made. Other races have only been reached with the Gospel, through much effort, expense, and of ten danger, and many times when White Christian leadership is missing for a few years, we find them slipping back into heathenism!

Whenever a great natural disaster takes place, it is the White nations who respond with help. These same nations send out 98% of the Christian missionaries, and Christian literature, which spreads the Gospel message throughout the world. This is one of the outstanding fingerprints of Christian Identity and is one the Jews have never qualified under.

The White race began with the FORMATION of ADAM in Genesis 2:7, male only. The other races were CREATED in Genesis 1:27, male and female. God did something to Adam, (which in Hebrew means "White") that is not recorded in the other races.

Occupy Until Christ Returns

In verse 7, we learn that "God breathed into Adam's nostrils the breath of life, and Adam became a living soul." Regardless of whether you want to accept this truth or not, there is a difference in the spiritual makeup of Whites, and other races. Even after they become Christian, there is a difference in the moral status of Blacks and Whites. It is an ingrained thing known as "heritage."

But before we get "puffed up" with pride, it is well for us to remember that the family of Abraham, was one of the smallest of the ADAMIC/ARYAN RACE. It was not chosen by God because of its superior intelligence, or because it was morally better than any other, but solely on the merits of FAITHFULNESS and OBEDIENCE, shown by its father Abraham. We have no reason or right to boast of RACIAL SUPERIORITY! Israel was chosen as a special people who were to act as Ambassadors of God to the rest of the world, (see 1 Peter 2:9).

While the White race began with the FORMATION of Adam, and later Eve, who was taken from his own body, and the pro-creation of their own kind, it was the crime of "miscegenation" (race mixing), along with the crime of murder, that caused Cain to be banished to the Land of Nod, where he set up the system of Babel, which God disrupted by confusing the language.

In Genesis 6:9, we are told that Noah was a "just man" (righteous), and "perfect in his generations." (This means "bloodline." He had an "unblemished bloodline" from Adam and Eve). God picked this "bloodline" to propagate His special people after the flood.

If you will remember, in Genesis 3:15, God had predicted that there would be two SEEDLINES in the world, who would be in deadly conflict through the ages. One would be the offspring of the woman (Eve), and the other would be the offspring of Satan. (There are those in Identity who teach that the "seed of the Serpent," began when Eve had sexual relations with Satan, and Cain was the result. They say that the people we now know as Jews are of this SEEDLINE. I taught this for a while, until I came to the conclusion that Genesis 4:1 and other scriptures made this impossible. This verse says that Adam had sexual relations with his wife, Eve, she got pregnant as a result and gave birth to a son they named Cain. There is no hint of any third-party involvement here.) It is not my purpose to debate this doctrine here.

Occupy Until Christ Returns

I do believe that Cain was the father of the "Satanic seedline" not because of any peculiarity surrounding his birth, but because he was the first Adamite who broke God's Law concerning "like producing like" and married into the pre-Adamic people in the Land of Nod.

It was pre-flood "race mixing" that caused the flood, and the evil that always goes hand in hand with it. The Bible tells us that "the sons of God (Adamites), saw the daughters of men (the pre-Adamic creation) that they were fair." (The Hebrew word FAIR, as used here has nothing to do with their complexion but means: "beautiful; loving; well-formed") and ("desirable") and took them wives (in spite of God's law to the contrary) of all which they chose."

There are some who teach that these "sons of God" were angels, but we know that Jesus taught that angels do not have sexual intercourse. Adam is referred to as "the son of God" (small "g") in many places, (see Luke 3:38). So, his sons would also be "sons of God" by their bloodline. (This does not mean automatic entry into the Kingdom, for Jesus told us in John 3:3, that unless an Israelite (or any other person for that matter) is "born from above" they cannot even see the Kingdom of God).

The genetic mixing of Adamites with the pre-Adamite people lifted them somewhat, and brought about the many non-white races we know now. But has brought only "poison" to the Adamites, in spite of what men like Dr. Billy Graham say to the contrary.

If God places His seal of approval on interracial marriage, as Dr. Billy says, then why did He not create us all in the same mold? There must have been some purpose in His creating different races of people. (In spite of what is taught to the contrary, those who deal in genetics know there is a distinct difference between the races, even to differences in the composition of their blood.) God, being Supreme and "all knowing" said: "Don't mix; for it will bring disaster!" and it always has!

There is no better example of this than the country of Portugal. During the Seventeenth and Eighteenth Centuries, Portugal was a world power. Her navies sailed around the world; her men were explorers. Then the liberal White Portuguese began to intermarry with the Black slaves who had been brought into the country, and within a few generations they had degenerated into a Third World nation.

Occupy Until Christ Returns

The same can be seen in marked contrast between Brazil, which has inter-mixed, and Argentina, which has remained relatively White.

The Bible tells us that God confounded the language of men at the Tower Babel and sent mankind, by their races, into world areas He had selected for them to inhabit.

No nation, such as ours, can survive with two distinct races occupying the same area. There is too great a diversity in the natural heritage of the two to make this possible. This is one of the major reasons, I believe, that the education, social, and work standards, and their qualifications have been lowered to such an extent in the Free World. Black slaves were brought to America by the Jews in the first place. (Historical records in the Boston Library, show that the majority of the ships that brought Black slaves to America were Jewish owned, that they were purchased from native Black chiefs in Africa with rum distilled in Jewish distilleries in New England, and were sold like cattle in Jew-run Slave Markets in the South.)

Unscrupulous White men, in both the North and South, jumped on the bandwagon of cheap labor, not realizing that this was a Jewish scheme to ultimately destroy the White Race, and White Christian Civilization.

This is the main reason that America's portals have been opened to all people, and we have been inundated in the past 50 years with hordes of misfits from around the

world. At one time, the best of the world came to America to better themselves. Today most come for the free handout they receive.

During the latter part of the Eighteenth and the Nineteenth Centuries the world saw the greatest migration in the world's history, as 45-million people flocked to America's shores. 90% of them came from the White Christian nations of Europe. They were Israelites,

Occupy Until Christ Returns

"Thy will be done, in earth, as it is in heaven." But since Jesus is coming back to rescue them from the fruits of their apathy, via a Rapture, they don't have to be concerned! I have had many of them tell me this!

This un-scriptural theory was unknown in American religious circles prior to 1850, when it was imported from England. It has done more to neutralize Christian soldiers than any other thing I can think of. Instead of girding themselves for the battle, with the armament provided in Ephesians 6, many have opted to become "foxhole" dwellers, who sit in the safety of their comfortable spiritual foxholes, folding their holy hands in prayer, as they ask Jesus to handle the dirty work He gave them to do! No wonder evil has been successful!

Now we can be as sure of one thing, as that day follows night. The King will return in God's good time. He said so! But because He does not "balance His books at the end of every year," evil men believe they are getting by with their wickedness, (Ecclesiastes 8:11). But a Day of Reckoning will come, soon I believe, in which everyone, good and evil, will stand before Him and give an account for their stewardship. When He left, He said: "Occupy until I come!" Not until you think He'll be back soon; not until you see the Jews return to Palestine, but "Until He comes!" Occupation is "front line military duty," it is not for the "panty-wasted, sissy-britches Christians we now have in most of our churches! It is for men and women of courage and faith, who believe and OBEY God!

Our love and obedience to the King is not shown by what we say, but by our actions, for He has said "If ye love Me, keep my commandments! (John 14:15). If only a small percentage of Christian oriented churches would be fulfilling their obligations to OCCUPY, the New World Order, would be stopped "dead in its tracks." It is the apathy and unconcern of so-called Christian people, the main stream churches of Judea-Christianity, that has "willfully played into the hands of God's enemies."

Before the New World Order can come into power, Christian Americans in particular MUST surrender their freedom and liberty, which most of us take for granted. This surrender if it comes - and it is very possible - will be defeated by "default!" Organized Christianity has become too "brainwashed" to maintain the principles of liberty, since most of their time is spent in the selfish agenda of

Occupy Until Christ Returns

personal salvation, with no regard for what happens to the nation. Most of these "brain deadened zombies" can't seem to understand that with loss of freedom goes loss of liberty to preach the gospel and worship God according to the teachings of His Word.

Will it be necessary for the "lukewarm" Christians of America to be beaten to their knees, and have their nose rubbed in the dirt, before they will "listen to God; OBEY, and be saved both spiritually and physically?" Very possible, and extremely sad!

What will happen when the "Caspar Milquetoasts" in our churches realize, as the Russian and Chinese Christians finally did, that there will be no Rapture to save them? Or do they think they are better than the millions of Christians who died in those countries, and it won't happen to them? What will happen to the thousands of pastors who have proclaimed this falsehood, when the persecution of the anti-Christ falls on their people, and there is no "heavenly escape?" I wouldn't want to be in the shoes of these charlatans!

The book of Revelation is very specific in teaching that Christ will return at a specific time, and that He will destroy the Satanic New World Order which then controls the world. I believe it teaches, that His saints who have "died in the faith" and who "Occupied" for Him, will be in His army that destroys His enemies. (See Like 19:27), the King speaking now: "But those Mine enemies, which would not that I reign over them, bring hither, and slay them before Me." I believe this is causing tremendous concern among those who "say they are Jews, and are not; but are of the synagogue of Satan," (Revelation 2:9, 3:9). Those enemies of God in Palestine, who have openly boasted that they will "destroy White Christian Civilization" and who our apostate churches have elevated to the platform of God's Chosen!

Just as the New World Order will be destroyed at Christ's return, so will the Babylonian Economic and Spiritual system; the Baal worship of most modern churches. As I have said before, there will be no Rapture to keep "weak kneed Christians" from falling into the hands of the Christ haters, they have supported for years.

After "true Israel" has lost her freedom, they will be given the chance to join the New World Order by accepting it's "mark," whatever it may be! It will be too late then to "picket abortion clinics, or elect Christians to public office." At this point, it will appear that it is all over for the Christian, for they will not be able to "buy or sell" without

Occupy Until Christ Returns

the mark of the system (Revelation 13:17). Without this mark, true Christians who have refused to accept it, will be hunted down by the government and executed. The concentration and elimination camps have already been set up on American soil. We know the location of many of them! The time for decision making is getting mighty short! You can decide then whether you want "physical death" or be "damned for all eternity!" by accepting the "mark"!

To those who are willing to listen, it should be obvious that main-line Christianity in America is a perversion of Christ-oriented Christianity!

It is apparent that modern Christianity does not have the "saltiness" needed to stop the corruption which is now taking place. We have the same characteristics of our Israel forefathers, in that we are a "stiff necked" people who do not like to listen to the truth, if it is at all unpleasant! It seems that in the 3500 years of our family history, we have learned very little, especially that "those who refuse to learn from the mistakes of history are bound to repeat them."

We are still a rebellious people and God has promised that before He takes over, He will "Purge out from among you the rebels (those who refuse to obey His Law), and them that transgress against Me ... and they shall not enter into the land (Kingdom) of Israel." (Most certainly He was not speaking about Old Palestine!)

Could these "rebels" be the self-satisfied Christians who clog up our church membership, bragging about what they have done for the Lord?

Listen to what Jesus said about such as this: Matthew 7:21-23 "Not everyone that saith unto Me, Lord, Lord shall enter into the Kingdom; but he that doeth the will (obeys) of My Father which is in heaven. Many will say to me on that day, Lord, Lord have we not prophesied in Thy name? and in Thy name cast out devils? and in Thy name done many wonderful works? And I will profess unto them, I never knew you; depart from Me, ye that work iniquity" (Refuse to obey). That's a solemn thing to be so rejected and should cause many so-called Christians to take inventory of their salvation experience!

Do you enjoy attending church and the fellowship you receive from it? Then what are you doing to defend Christian freedom? If you feel there is nothing wrong with our country, then you are too far gone to be reached with the truth!

Occupy Until Christ Returns

I do not advocate giving up "mainstream" Christianity, for 98% of the gospel publishing and missionary efforts comes from this source. But I do advocate distinguishing between a self-centered Christianity that asks much from God, but is willing to give very little in return. Only God's people can serve Him! These are scattered and few in number, for the majority are Christian in name only. This is not judging but following the admonition: "By their fruits shall ye know them!"

I believe God uses compromising preachers to reach men and women. Men like Billy Graham who refutes God's Law against "interracial" marriage, and who states that the Jews can come to God without coming through Jesus Christ. This is devil's testimony, no matter how many he has led to the Lord, and Billy will have to answer to the Lord for it. Out of the thousands who come forward for his altar calls, there will be a "salty" few whose light will scatter evil. Just as you can wash a sow, paint her hooves, perfume her and put a pink ribbon around her neck, this does not change her pig nature, and at the first chance, she will head for some stinking wallow and roll in the mud. So going forward to an altar, and signing a "commitment card," and even being baptized afterwards does not change the sin nature.

There are many in the church who look good and smell wonderful who have had no change of heart and God cannot and will not use such. The change must come from within, not on the outside! I believe the evil doers, such as "sodomites, adulterers, pornographers, and baby murderers" will receive short shift at the Judgment Seat, not because they committed these sins, but because they never had a change of heart, repented of their sins, and accepted Christ as their Savior and King. Their names were never engraved in the Lamb's Book of Life.

But there is another group who will also appear before Him. Those are the "self-satisfieds," professing Christians who have done very little for the King, while accepting all sorts of blessings from Him. These are the ones who have "Talked the talk, without walking the walk!" What about them?

I believe they will begin to feel intense discomfort, as things begin to run a bit different than their pastors predicted. These will be the ones who in their desperation, will begin to remind the Lord about all the good things they have done for Him and He will say, so the

Occupy Until Christ Returns

Bible says: "I never knew you! You disobeyed my law." They will have all of eternity to discuss with the really bad fellows what went wrong so that they both ended in the same horrible place!

You see, a "form of godliness, while denying the power thereof," mocks Christ and has very little power for good. It is this group, not the murderers, sodomists and adulterers, which by "default" is selling us into the Satanic hands of the New World Order.

One characteristic of the "religiously lost" is that they do not know they are "lost." They have done all the things their pastor said was necessary for salvation. They went to the altar; they prayed a little prayer which was handed to them called the "Sinner's Prayer," they signed a commitment card and were baptized. But they were never "saved." Our church rolls are filled with this type of people. We know because there was never a change in their lifestyle. The Bible says that when you are "saved" you do an "about face" and head towards God and His will in your life. Not towards "doing your own thing!"

What a sad day it will be for some, who stand before God and realize that they have "missed the mark" and that they will not enter His kingdom. Surely there will be "weeping, wailing, and gnashing of teeth." How many Christians have you known, who came to the King with a "broken spirit?" Where are the tears which were once shed over sins? Where are the tears shed for a wicked and dying nation?

It was too late to save National Israel from God's Judgment when the Assyrian army invaded the land and took them captive. As they walked naked, in their chains to a new land, surely some of them must have remembered how they broke God's laws through interracial marriage and deliberate rebellion against God. But their tears did no good now in the hands of a harsh taskmaster with a whip.

What were their thoughts, as they were led through their devastated land, and saw the ruined towns and cities, and the corpses of their countrymen laying in the field? They could see, and know, that this destruction had been unleashed by their disobedience. But it was too late!

There had to be a faithful few who marched along with these slaves. They had tried to warn their fellowmen about what was to happen and had been met with sarcastic disbelief. Some had been laughed to scorn, others beaten, now they were all marching naked to a foreign land and God alone knew what fate.

Occupy Until Christ Returns

I believe it is humanly impossible to save America at this late date from the New World Order. But is never too late to accept the spiritual salvation offered by Jesus Christ! This personal change **MUST** come before we can change the nation!

But in all this darkness, God has given us a **FORMULA FOR SURVIVAL** which will work. We know it will, because He has said so. Many of you know it by heart, it is found in 2 Chronicles 7:14.

"If My people, which are called by My name (Christian), will **HUMBLE** themselves, and **PRAY**, and **SEEK** My face, and **TURN** from their wicked ways. Then will I **HEAR** from heaven, and will **FORGIVE** their sin, and will **HEAL** their land."

So don't give up hope, for God is still in charge. May He allow us a little more time to purge America of the God haters and their abominations: "Who can tell if God will turn and repent, and turn away His fierce anger, that we perish not?" (Jonah 3:9)

Sunshine

Sunshine is one of God's simplest and most powerful gifts. From the very beginning, light was the first thing God called into existence:

Then God said, 'Let there be light'; and there was light.

Genesis 1:3, NASB

The sun continues to testify of God's order, provision, and care for His creation.

1. Physical Benefits

Spending time in the sun helps our bodies produce Vitamin D, essential for healthy bones, a strong immune system, and emotional well-being. Moderate exposure to sunlight can reduce depression and increase energy. As **Psalm 84:11** reminds us, *For the Lord God is a sun and shield; the Lord gives grace and glory; He withholds no good thing from those who walk with integrity.*

2. Spiritual Symbolism

Sunlight is often used in Scripture to represent God's presence, truth, and righteousness. Just as the sun gives light to the earth, Jesus is *the Light of the world* (**John 8:12**). When we walk in the light—both physically and spiritually—we are reminded to live in truth, clarity, and openness before God.

3. Encourages Praise and Reflection

A walk in the sun, surrounded by God's creation, invites us to reflect on His goodness and praise Him for His handiwork. As **Psalm 19:1** declares, *"he heavens tell of the glory of God; and their expanse declares the work of His hands.*

Let us give thanks for the sunshine and remember that every beam is a reminder of God's grace, healing, and ever-present light in our lives. Step outside, lift your face to the sky, and let His creation renew your spirit.

The Lost Ten Tribes

"The Lost Ten Tribes, and 1882" by Rev. Joseph Wild, D.D. is a historical and theological discussion likely written in the late 19th century. This work explores the fate of the ten lost tribes of Israel, proposing connections between these tribes and modern groups, particularly the Anglo-Saxon race. Wild's central thesis indicates that the promises and prophecies regarding Israel's future are still relevant and can be seen in the historical and contemporary events involving

Great Britain and America.

The opening portion of the text serves as a preface, wherein Wild outlines his journey and motivations for writing the discourses contained within. He emphasizes the importance of understanding Biblical prophecies, particularly those concerning Israel, and *critiques traditional interpretations that conflate various Biblical groups*. **Wild expresses his conviction that God has a divine plan for the chosen people, which he believes includes present-day nations such as England and the United States. He suggests that these countries are fulfilling God's promises of expansion, prosperity, and a divine purpose as the descendants of the Ten Lost Tribes, and argues for a renewed understanding of their role in God's plan.**

Written almost 150 years ago, here are truths of who we are and our history that cannot be ignored and forgotten forever.

This is what the LORD says: "Stand by the ways and see and ask for the ancient paths, Where the good way is, and walk in it; Then you will find a resting place for your souls.
